(Only thing special about me is I am forgiven)

Mark 8: 38

**Whosoever therefore shall be ashamed
of me and of my words in this adulterous and
sinful generation: of him also shall the Son of
Man be ashamed, when he cometh in the
glory of his Father with the holy angels.**

Dear Fellow servant in Jesus Christ

I am just an old broken-down disabled Vietnam era Veteran who was called to be an End of Days Watchman. I was given a multitude of dreams and visions and much more.

I am saved and I am washed in the blood. The Holy Spirit commanded me to 'WAKE UP AND TELL THE PEOPLE', I offer to speak anywhere, any place and almost any venue for free. I have spoken in several churches, I have spoken on the radio, internet, youtube and Facebook.

I was at a local, popular restaurant recently and I saw something that not only shocked me but saddened me almost to tears. It reminded me of, the question:

'Why was Jeremiah called the weeping prophet'? (He wept over what was lost).

I too have wept over what was lost in America. I remember a time when in America television stations all closed down at midnight or sooner with a closing prayer. I also remember a time when pastors carried A KJV Bible everywhere they went, & not a cell phone and I also remember when almost all Christians said the blessing over every meal.

What I saw in that restaurant were three preachers from local churches in the restaurant. The sad thing was that not one of them had a Bible with them. I also saw several deacons from local churches and none of them had a Bible either. But the really sad thing was that NOT ONE PERSON in the restaurant said the blessing over their meal.

Except for me, I had my KJV Bible on the table and I said the blessing and I did not care who saw me or who heard me. (We are commanded to be a peculiar people unto Jesus Christ).

The Holy Spirit asked me to pick up my cross and follow Jesus. It's NOT for me to ask YOU or YOUR church to join me. But to be led by the Holy Spirit to pick up your cross (in this case your Bible) and follow Jesus. and to 'Say **The Blessing Over Every Meal**'.

The Holy Spirit told me it was important now more than ever in these last days to let our light shine, (A SINGLE CANDLE shines bright in the dark). After all, consider what Jesus did and suffer for you and me, it's a small thing but means so much these last days!

I was asked to carry my KJV Bible everywhere I go, Walmart shopping, doctor's offices, dentist office, eating out, everywhere and (to SAY THE BLESSING over every meal).
One Day It Will Be Illegal to Carry a Bible, Say the Blessing or even Pray in Public.
(WILL YOU STAND UP FOR JESUS THEN?) - ((OR NOW?))

I CARRY MY KJV BIBLE EVERYWHERE I GO (AND YOU SHOULD TOO). If you see me without my Bible it's because I have given my Bible away. Consider this; If you deny Jesus to men then Jesus will deny you to the Father. Have you heard that before? It's time to let your light shine and not hide it under a bushel basket. Why take a chance?

I occasionally eat at a popular Mexican restaurant that serves alcoholic drinks (I DO NOT DRINK) but I will place my Bible on the table in that place and I will say the blessing over the meal. Now you ask: 'Don't you feel funny in that place carrying a Bible AND saying the blessing?' NO actually they should feel funny, NOT ME.

When you cannot speak let your actions and your Bible show, declare, and speak for you that YOU are a Christian and that you are not denying Jesus (and never will).

Please pray on this and join me in this Crusade? If you feel uncomfortable using my name to promote this, then (promote it as your own idea) as it is the message here that is important (and NOT ME). There are NO fees to join, NO applications to fill out, NO executives (except for Jesus) and NO leaders except for the (Holy Spirit).

* PLEASE PRAY ON THIS AND BE LEAD BY THE HOLY SPIRIT IN THIS *

Remember if you get Raptured out of Walmart shopping or Denny's eating, your Bible will be left behind as your only testament that you are a Christian and you have just been Raptured. And if they are left staring at your Bible then they are in a lot of trouble.

You can buy Bibles in bulk as cheap as \$1.19 (includes shipping). You can rubber stamp church info on the inside covers and pass these Bibles out at Hospital waiting rooms, doctor offices, dentist offices, even auto repair shop waiting rooms or you can pass these Bibles out door to door to anyone needing a Bible. This will be a great way to promote your church locally. What God needs now is Hell Fire & Brimstone, ON FIRE Pastors.

GOD NEEDS YOU TO BE AN ON FIRE FOR JESUS PASTOR? Time is Short!
We have enough feel-good prosperity pastors; WE NOW NEED ON FIRE PASTORS.

THIS IS OUR REPLY TO THE 'BAN THE BIBLE' MOVEMENT IN AMERICA.

ADDENDUM From the desk of Tony Lamb (www.TonyLamb.org)
(pray for Acts 2: 17) God is about to pour out His Spirit upon all flesh.

I do not claim to be a Prophet. But my dreams and Visions and contact I have had with the Holy Spirit have given me unique insight into what is coming.

The Holy Spirit came to me about 4 years ago and hovered above me in my bed. I never opened my eyes but I felt His presence above me so close I felt I could reach up and touch Him. Then the Holy Spirit spoke in an audible voice that I heard with my own ears and He told me that: 'AMERICA WAS ENTERING JUDGMENT'.

Then about 3 years ago the Holy Spirit came to me in the same manor and spoke to me in an audible voice and this time He said: 'AMERICA WAS ENTERING THE TIME OF SORROWS'.

And then 2 years ago the Holy Spirit came to me in the same manor and told me that: 'AMERICA WAS BABYLON AND AMERICA WOULD BE DESTROYED IN ONE HOUR'. Then the Holy Spirit told me to read (Jeremiah 51 and Revelation 18) and He said it was IMPORTANT. Maybe you should read it also?

My dreams and visions have given me glimpses into what is coming.

WE ARE IN THE TIME OF SORROWS NOW (The Birth Pangs) of the Bible.

And 'things' are ONLY going to get worse, and then worse and worse. And sometime before the Tribulation starts the Rapture of the faithful will occur. God's Master Plan is in motion and no amount of praying and fasting at this point can stop or change what is coming.

Sin will continue to abound unabated. The price of food will continue to rise. Power will continue to be hit and miss and as time goes on it will become more miss than hit. Eventually power will go out. The world economy will collapse and it will hit America especially hard. It will seem as if everyone is out of work. There will be civil war and American's will shoot and bomb other American's.

There will be massive earthquakes, Tsunami's, volcanoes, and even two asteroid strikes. One in the Atlantic and another over Western Canada. These will wreck ecological havoc on the world. A war is coming to America and I saw foreign troops on American soil, I saw atomic bombs going off in major American cities. I saw an EMP strike it shut down all electricity in America. This Corona virus sweeping our nation will one day subside but our economy will not survive and America will be hit very hard and a depression deeper than 1929 is coming. But the faithful will be Raptured out of here!

TIME IS SHORT!

America has sinned a great sin and:

THE SAME GOD WHO JUDGED ISRAEL WILL NOW JUDGE AMERICA HARSHLY!

WHAT WE SAY AND WHAT WE DO NOW IN THESE LAST DAYS AND SECONDS IS MORE IMPORTANT THAN YOU COULD EVER IMAGINE.

**** PLEASE NOTE ****
