

IS AMERICA PART OF BABYLON THE GREAT OF END TIMES?

[I was lead to write this article from a discerned prophetic word given to me by the Holy Spirit on November 28, 2018. I do not claim to be a prohetic or anyone special, but the Lord has called me to be a watchman to sound the alarm of pending judgment being allowed against this nation. Below is the word I received, and followed by research of Scripture to verify similar warnings given by godly men, from George Washington to Steve Quayle. The word:

OH BABYLON

Babylon, Babylon, oh how wretched and poor have you become in your great pride, you have forsaken your forefathers whose truths you now scorn.

You have risen to heights never seen by earthly man. You brag of your wealth, economic, and military prowess. But little do you realize the truth.

You have raised up many idols you bow down too. You have allowed evil and corrupted minds to lead you, replacing the hard fought battles your forefathers endured to establish your nation.

You now seek out the lying tongues and refuse to see the truth. Because of your unrighteousness, you have become delusional and prefer the lies leading you to destruction.

In this delusion, you follow a carnal man for the salvation in your time of tribulations. Oh, how you have fallen, preferring falsehoods instead of seeking the one true Source of your past glory.

Your eyes and ears long to see and hear the earthly things of man's wisdom. Lo, you have refused to raise your eyes toward heaven and see and hear the voice and see the true Source of your blessings and strength.

Oh Babylon, you are blind, deaf, and forsaken as you do not see your fall and destruction is upon you. For in one hour you will burn and become desolate.

You scorned and ridiculed those watchmen on the wall sounding the alarm of the impending horrors of desolation and bondage. No longer will you say, "Oh what an exceptional nation we have become that rules the world".

But yet, I have warned you that your nation is wretched, poor, blind, and naked before Me. You shall become a hissing sound in the voices of the world you thought you ruled. Ye do not realize it is I who rule for "I AM" the only alpha and the omega who reigns over the affairs of man.

Your reign is coming to a close, but yet those people who have been faithful and and clung to the truth and sought My face with a child like faith in Me, will I save and protect.

Oh Babylon, how far thy have fallen!

In my spirit, I am completely sure that America is the mysterious Babylon spoken of in the prophetic word I received. The following is the proof I believe supports this contention.

In Dr. Jack Van Impe's "Prophecy Bible", he discusses Mystery Babylon in Revelation 18 recognized as the end time religious system of the Tribulations hour. This system is a union of the worldwide churches. He goes on to say....."they [denominations] were either doctrine or morally wrong....Yes, disobedience to revealed truth, as well as incorrect doctrine, keeps one from

the presence of God for eternity....They [Churches] went through the motions but were never truly converted. Among them are cultists, apostates, and unconverted professors of religion- including Baptists, Catholics, Lutherans, Pentecostals, Presbyterians, and those who were members of a host of denominations.”

Though this previous quote by Impe speaks of the end time “One World Religion”, we are already seeing it forming in the world today. This apostate church is at the same time, part of Babylon the Great, which is described in Rev. 18, but separate from the Antichrist Babylon system of end times Tribulations.

The Scriptures, in Rev. 18:1-2, reveals A Mystery Babylon of current history- a commercial and economic Babylon.

“For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication [idolatry] with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.”

This Babylon is described in the following verses from Book of Revelation.

18:8-11 “Therefore shall her plagues come in one day. Babylon....in one day, death, and mourning, and famine; and she shall be utterly burned with fire for strong is the Lord God who judgeth her. And the kings of the earth..... shall bewail her, and lament for her, when they shall see the smoke of her burning.....Alas, alas that great city Babylon [New York City?]...... for in one hour is thy judgment come. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more.”

18:17-18 “.....What city is like unto the great city..... Alas, alas that great city wherein were made rich all that had ships in the sea by reason of her costliness! For in one hour is she made desolate.”

Many reading this will say it is the end time Antichrist system and world government, the ancient Babylonian Empire resurrected, the Vatican, or the

revived Roman Empire, but could this city represent the United States as the commercial and military part of the Babylonian occultic system that has survived down through the ages to culminate in the Antichrist system. To reveal this Mystery Babylon, let us go to the prophet Jeremiah, chapters 50 and 51.

Jer. 50:1-3. "The word that the Lord spoke against Babylon and against the land of the Chaldeans by Jeremiah the prophet. Declare ye among nations, and publish, and set up a standard: publish, and conceal not: say Babylon is taken.....Out of the north there comest up a nation against her, which shall make her land desolate....."

Jer 50:9. "For low, I will raise and cause you to come against Babylon an assembly of great nations from the north country: and they shall see themselves against her....."

Jer 50: 12. "Your mother shall be sore confounded; she that bare you shall be ashamed....."

Jer 50:23. "How is the hammer of the whole earth cut asunder and broken! How Babylon has become a desolation among the nations!

Jer 50:32. " I will kindle a fire in her cities, and it shall devour all around about him."

Jer50:37. "A sword is upon their horses and upon their chariots, and upon all the mingled people that are in midst of her."

Jer 50:42. "Behold, a people shall come from the north, and a great nation, and many kings shall be raised up from the coasts of the earth."

Jer 51:7-9. "Babylon hath been a golden cup in the Lord's hand that made all the earth drunken: all nations have drunken of her wine, therefore the nations are mad. Babylon is suddenly fallen and destroyed: howl for her; take balm for her pain, if so be she may be healed. We would have healed Babylon, but she is not healed: forsake her, and let us go everyone to his own country: for her judgment reachest unto heaven, and if lifted up even to the skies."

Jer 51:42. "The sea is come upon Babylon: she is covered with the multitude of the waves thereof."

In this description of this Babylon, Impe says, "It receives a double portion of judgment because it glorified itself and lived deliciously. The rich became richer, and her poor became poorer.....This nation said, "I shall see no sorrow. I do not want to look to the needs of the poor. [Note: America has the greatest disparity of wealth in the world. Less than 1% of population owns or controls most of the nation's wealth.]

Impe wrote that Dr. S. Franklin Longsdon (a prophecy scholar) believes this Babylon is America. Other scholars also believe America is the Mystery Babylon, and one and the same, because of the prophecies of Isaiah and Jeremiah, plus also the words of John the Seer in Revelations.

Dissecting what Jeremiah said in the chapters referenced, it certainly seems to be describing America. Jeremiah relates that Babylon is wealthy and sells and buys from the whole earth. It is called the hammer of the whole earth which certainly depicts the U.S. in history as unparalleled in military might and a world policeman. Jeremiah prophesies her mother (Great Britain) and how it beguiled the world with its riches and implies through its control, angered the other nations. The United States, through its economic power, has ruled the world as no other nation before it. This nation fits the description of sitting on many water surrounded by seas. [Note: Ancient or modern Babylon (Iraq, the location of ancient Babylon) is hundreds of miles from any sea, thus can not be the nation described.]

Babylon during reign of Nebuchadnezzar never traded with the whole world. It further was never destroyed in one hour and its walls burned. Babylon was conquered on one night without force or siege. Rather it was conquered by the Persians and Medes when they dammed the Euphrates River and came into the city under its walls.

The late Chuck Missler, a well known and brilliant Bible scholar and founder of Kiononia House of Biblical teaching, always instructed his students to look at the multiple meanings that often were expressed in biblical text. Simply, many times scripture has multiple meanings that can relate to past, present, and future events- Babylon being an example.

Other current modern evidence can be used to collaborate that America is the political and economic power just described in Jer. 50:3 it tells of a time when a nation out of the north shall make Babylon desolate with the aid of

many other nations. Russia is due north over the poles from the U.S. Furthermore, Russia has established a huge military presence off the coast of the Northern Hemisphere in the Arctic. To understand that Russia and its allies could be preparing to attack the U.S., one only has to peruse the hundreds of internet alternative media sites and read the warnings. As Americans can not depend on mainstream media (MSM) for the whole truth of current events, each of us must be diligent to seek foreign media and alternative sites. The neocons/progressive leftists are pushing for a war with Russia, following the dictates of their international banking and corporate globalists masters. Just look at the unrelenting MSM like CNN, constant attacks on President Trump since even before his election and taking office. [Note: Trump was never expected to win the presidency, but Hillary Clinton had been picked to win the presidency, and she was to complete the nations destruction, handing it over to the globalists.]

Dr. Impe, previously referenced, has for fifty years been warning of war with Russia. More currently, pastors like Henry Gruver, Kenneth Hagin (deceased), and Dimitri Dutterman (deceased) and many others have over the years had visions from God about this attack. The late Pastor David Wilkerson, in this book in 1985, titled, "Set the Trumpet to your Mouth" warned:

"America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, in one hour, a hydrogen holocaust will engulf America and this nation will be no more. It is because America sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge American for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality, and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its lukewarmness to Christ, its rampant divorce and adultery, its lewd pornography, its child molestation, its cheating, its robbing, its dirty movies, and occult practices."

[One can reference Wilkerson's book mentioned by browsing for "Set the Trumpet to Thy Mouth." Also, it is highly recommended to browse and find the sermon Wilkerson gave in mid 70's, later written into a book titled, "The vision". In this book he was given a prophetic vision of America's future. So many of his prophecies have already come true, yet when he released the

book and gave the sermon, it was such a radical message, he was ostracized from most mainstream denominations with heaping scorn and ridicule.”]

PASTOR KENNETH HAGIN

In his book, “I believe in Visions” Hagin relates a powerful vision and prophetic word given in 1950 in Rockwall, Texas during a tent revival. He described what he saw in a scroll given him by a man riding up to him on a horse. The scroll was titled, “War and Destruction” and Hagin said,.....it spoke of thousands of men in uniform marching off to war.....he saw many women, middle-aged, young women, and teenagers in great sorrow weeping, and then saw the skyline of a large city in burned out ruins.

HENRY GRUVER - KNOWN AS THE WALKING PASTOR

Gruver had a vision in 1986 of the invasion of America. He saw Russia moving by sea and air from the north to destroy America by nerve gas and nuclear weapons. The death toll will reach 120 million. He further said this would happen after Russia began to let their masses go which occurred in 1991 with the Berlin Wall coming down. Gruver saw Russia attack from Iceland with submarines just off our East Coast seeing strikes against NYC, Miami, Seattle, San Francisco, LA, and San Diego.

DIMITRI DUDURMAN

(A Romanian Immigrate)

Dudurman was told by the Lord to come and warn America. He was imprisoned in Romania by the Communistists and persecuted for being a Christian and distributing Bibles. He received a vision about America in 1997, warning the nation will burn. He saw California (like Sodom and Gomorrah) in one day would burn. Also, he saw NYC, Florida, and other cities burning. America's churches, he said, have great sin and will be judged but God will save his true people from the destruction. (He gave his testimony in many churches across America before his death.)

GEORGE WASHINGTON

Washington, while at Valley Forge during the Revolutionary War had a vision from an angelic being who showed him a coming invasion of America that would be the greatest trial our nation ever faced.....however he saw the armies of heaven coming to strengthen us..... the dark cloud of the invaders were rolled back. Washington saw an invasion of foreign armies from Europe, Asia, and Africa from each of these continents, and arose a thick cloud that soon joined into one.....and I saw, he said, these vast armies devastate the whole country and burn the villages, towns, and cities which I had seen spring up. STEVE QUAYLE PROPHETIC WORDS FROM 1987 TO 2014

Quayle has been warning America for over 35 years on TV, internet, conferences, with many CD's, and books. Much of his warnings spanning decades are archived at his website: www.stevequayle.com Much of this information was years before its time, but it has been proven true.

After typing this article, I came across the prophetic words given by Quayle, which confirm much of what I wrote about the word titled, "Oh Babylon" that I received. I mention this fact to verify the word given to me was truly from the Holy Spirit. Be aware the quotes from Quayle are not taken in their entire context for brevity sake. To see entire text, go to www.stevequayle.com/index.php

Keep in mind that these prophetic words were given before they occurred, like the wars in Mid East concerning Desert Storm, or invasion of Iraq, Afghanistan, Libya, or Syria. Also these words were given before 9/11, the financial crises in 2001 and 2008; and the drought and fires that occurred in California during the last few year, or the abnormal cold weather in the Midwest and East Coast of the country.

As given by date and year by Quayle:

October 20, 1987. "For the Lord has a controversy with you America! A great curtain of darkness is about to descend on your land. The Kings of the earth are being drawn into battle in the Middle East."

April 27, 1994. "Now the time allotted to your country has run out..... I send you warnings through My word and through My servants, it is to declare My intentions upon your idols. The government of your land worships at the altars of Mammon. In one day I will bring down their financial system. The entire world will stand in awe. No planes will fly, no trains will run, no trucks will run. As food runs out millions will flee the cities. Total chaos will ensue. Panic will break forth and there will be much death."

April 13, 1997. "Nothing will be as it was. The very foundations of your nation have been destroyed from within. [Note: Abraham Lincoln had stated that if America falls, it will not be from foreign forces, but from within.]

Foreign armies are within your borders..... as the weather becomes more erratic, when the harvests are cut-off, when cities are inflames and destroyed

from within and from without..... the Russians and Chinese have already come to your land; they have made an agreement to divide the land amongst themselves and send you into captivity.

You say “God will never judge America..... look at the good she’s done”.....do you not know the Word of the living God. But if the righteous turn from their righteous way, they shall not be remembered as a righteous person or land.”

January, 1998. “All your blessings that were bestowed upon you as a nation when you walked in my ways will be turned to a curse. Your leaders, who have sworn their oaths to Lucifer and [have} embraced the hidden works of darkness.

As my Son drove the money lenders out of my house..... so shall I turn upside down the financial rape and pillage of my people.... The soothsayers will promise a golden age of prosperity and yet will bring the world to its knees financially in one hour..... America’s stock market is bait that has become the ultimate snare for the foolish.”

March, 2010. “For as I live, says the Lord, the time for your country’s demise is at hand..... I will withhold my hand in judgment no longer. Yet the churches that claim to represent me who exalt at the same time they trample underfoot the widows and orphans, the helpless and the needy, continue to spread a message that is not from Me.”

2014. “To the daughter of Babylon and the Great Whore who sits on many waters. My fury and wrath is about to be unleashed upon your land. Oh nation, poised for destruction, you have broken the covenant of like that I made with your forefathers and whom I blessed with a nation unlike any in the history of the world. To my people who sit silently compromising with the Powers of Hell. Do you not know your silence is acquiescence to your own slaughter.

Repent, standfast in the power of my might infused with the Holy Spirit, and the authority given to you. The only reason that evil triumphs is because my people fail to stand against it in My name. Let not sin have

dominion over you for I have given the Victory if you will but appropriate it by faith and the Power of the Blood of the Lamb” By Steve Quayle

As I tried to keep this article as short as possible, I recommend you refer to a good article titled, “60 Reasons America is Mystery Babylon” [not Iraq!] It is by R.A. Coombes. I came across this article after I had already researched and written this article, but since the author brought up some additional good information, I wanted to make it available by going to:

Evidence is more than circumstantial that the U.S. is under judgment and open to attack by foreign powers, but why? This nation which was founded and dedicated to God and His principles and laws, is now secular. Where once, at its founding, 98% of its citizens were Christians, and the majority attended church regularly. Now less than 20% even attend church at all. It was just reported by a Pew Report that 6,000 churches are closing per year in America. Across the board, denominational church attendance is declining, attended mostly by the older generation. The X and millennial generations have abandoned traditional religion to follow New Age, occultic practices, or agnostic at best or atheists at worst.

America and Israel are the only two nations founded on biblical principles and each dedicated to God. This nation has been blessed as no other nation in history. Now it has become a secular nation where the fastest growing religions are Wiccan and Islam with secular New Age and occult practicing "church" attendance increasing. God has been removed from our public arena. In 1967, prayer was removed from our schools with Bibles now banned on most public campuses. Our first public schools in this nation were started by churches and the institutions of higher learning like Yale, Harvard, and Princeton, were established as religious training for clergy where Christian principles were held to be the foundation of wisdom. Now one would be hard pressed to even find a Bible at most our universities.

The sanctity of life was abandoned in 1973 with the Supreme Court ruling abortion as a right, in God's eyes legalizing murder, as the Bible is explicit that life begins at conception. God's word says, "I knew you (fetus) before you were even formed." The latest moral abandonment of godly law was the disavowing of sanctity of marriage with passage of gay marriage. It has even become politically incorrect to say Merry Christmas even though it is the "reason for the season". It is just another attempt to remove Jesus as not relevant in our modern society.

As our nations' Christian heritage has been and is being attacked, where are our religious leaders? They are hiding behind political correctness and compromising to get along with this amoral nation. For the most part, our churches and their clergy and congregations, have become complacent,

apathetic, and accomplices to the destruction of our Christian heritage. Christians are now content to abrogate their godly mandate to be a light unto the this lost world. Instead, we have allowed our the candle in our church windows to burnout. The admonition to be the salt that gives flavor to our culture and moral values, has been tossed out, only good to walk upon. It has been replaced with a rotting, corrupted, and decaying unsalted society!

I sought to find someone of high moral standards and public recognition who might be accepted or at least listened too. I turned to Franklin Graham, son of one of the greatest evangelist of our age, Billy Graham. I found a speech that Franklin gave in Jan., 2015 at the Jacksonville, Florida Pastor's Conference where he said:

“America has changed, and it's not coming back unless the church takes a stand. There are storms coming. We find ourselves in these storms and many times we as a church run, and we run to the wrong place. You see, Jesus in the boat. All we have to do is call Him. Call his name, but the secularists and humanists, [if] you mention the name Jesus, and they [will] jump all over you!”

Although all hope seems lost, scripture says, “If you will humble yourselves, repent of your sins, and seek my face, I will heal your land.” When Trump, against all odds was elected, God gave this nation a reprieve of four years, to recognize and turn back to him. If we squander this chance, then destructive storms, floods, fires, and earthquakes will continue to increase. As with Israel, the longer their nation remained unrepentant, the more God removed his hand of protection. Finally they were attacked and taken into bondage. This nation is swiftly reaching this same pivotal time in our history where we, like Israel, will be attacked and taken into bondage! Thus, America needs to take heed to all the warnings as God's watchmen/women sound the alarm.

As our nation's churches should have been praying unceasingly, repenting, fasting in sack cloth like Nineveh, and calling upon God, instead they have remained complacent and spiritually blinded. Instead of applying the salve spoken of in Revelations concerning these last days. Jesus used the Church of Laodicia as a warning of the lukewarm state of its congregation. America's

Christians have refused to open their eyes to see the nation's sins. As Jesus was said to be knocking at the door of the church to be let in, instead He and the Holy Spirit have been locked out. The Holy Spirit is standing outside the door to enter and apply the salve to open the eyes of understanding to see the warnings of judgment. Because Americans, including most Christians, have refused to have their eyes and hearts opened and to return to the truth of His Word, God has sent a great delusion so that most can only see the lies of our society and culture. Time is short! The election of Trump, against all odds, has given this nation a four year reprieve to turn back to Him. Yes, God put Trump into office to do his will, but it is not for the reason most people have been fooled into believing. Scripture warns that God will not judge a nation before He reveals the sins of the people first and then the sins of their leaders. Awaken America and see this nations many sins!

As Steve Quayle has said many times, "There is no political solution to a spiritual problem". No leader (president), no pastor, no learned professor and scholar, nor anyone or anything can help this nation, but only Jesus can save our country. There is no alternative but to renew our forefathers admonishment to be a moral society, as a democracy can only survive under a moral and well informed citizenry. We can no longer afford to be uninformed of current events- economically, politically, and more so spiritual truth. We must abandon all main stream media sources as they are all under the control the "Deep State" cabal and are only propaganda arms of these globalists.

However, being honest, I believe the point of no return has been reached. Now we must prepare spiritually and physically to survive the coming judgments. Most importantly, each of us must make sure we're truly under the protective wings of our Lord and Saviour as the Father has appointed Jesus as judge, prosecutor, and executioner.

POSTSCRIPT

I feel it would be remiss of me not to give advice on how to prepare if, as I have been shown, the worst happens to America. As a nation we are faced

with turbulent times. One does not even need to admit a spiritual problem, as we have daunting secular events confronting us. Our nation has more debt and unfunded liabilities than any nation history. It is not a question of if, but when our economy will collapse and our dollar value is reduced to the intrinsic value of all fiat money - zero.

Many nations before us have experienced a currency collapse. Germany during the Weimar Republic after WW1 became so hyper-inflated that a wheel barrow of paper money was only good to burn in the fireplace. This resulted in WW2. It is no different now. If America's currency, as the world's reserve currency, collapses, there will be pressures for war.

I do not know whether an economic collapse, powerful earthquakes, or nuclear war, but any catastrophic event or combination, will lead to civil unrest - even civil war. In a weakened condition, our enemies would certainly take the opportunity to invade, as discussed in this article. Stockpiling food, getting a water filter system, medical prescriptions, self protection, and having some gold or silver coinage, is the very basic need. [Be aware precious metals will be a temporary means to survive the initial financial collapse until the economic system is reset.]

No need to go into detail as how to prepare for such an event, as only a limited search of the internet will reveal thousands of articles speaking of how to survive such time. If all discussed here is leading to the end time Tribulations period, then biblical prophecy reveals, like Noah, those who prepare will have the best chance to survive. A Pentagon study concluded if only one event, an EMP (electromagnetic pulse) weapon was used against this nation's electrical grid, 90% of the population would die within a year. It would be such a devastating event because our nation's electrical grid is totally unprotected, not to mention most of our electronics. Electronics are so incorporated into our world, even automobiles, communication, and anything else with electronic components would fail.

The Pentagon Study can be read at :

[Update: May 30, 2020. Concerning what could cause an economic collapse that was discussed in this article, a pandemic occurring with the Covid-19

virus was totally unexpected to take-down, not just U.S., but the world's economy. This just shows how we are living in uncharted territory as the modern perils that confront the world have never be seen in history.]

The best preparation anyone can make is first to recognize that God is in control of this world. As He allows our free will to be exercised, most of humanity's ails are self-inflicted. Yet, God promises to take care of his own. So, it behooves each man, woman, and child to choose to follow the Lord in trust and faith. Too accept his Son's sacrifice for our sins, and turn from all unrighteousness. Those who dwell in the secret place of the Most High and abides in the shadow of the Almighty, He will be their refuge and fortress in these coming terrible times. (Psalm 91)
