We the faithful are all soldiers in God's army. And we will return with Jesus on white horses at the battle of Armageddon. We are also soldiers here and now.

James 2: 17 to 20

¹⁷ Even so faith, if it hath not works, is dead, being alone.

¹⁸ Yea, a man may say, Thou hast faith, and I have works: shew me thy faith without thy works, and I will shew thee my faith by my works.

¹⁹ Thou believest that there is one God; thou doest well: the devils also believe, and tremble.

²⁰ But wilt thou know, O vain man, that faith without works is dead?

We all have a calling and we all have a work to do for the Lord.

So, I ask you (I beg you) to do this little thing, a work for the Lord.

To take this KJV Bible, my book: IN THE TWINKLING OF AN EYE and my CD titled: THE WARNING and place these in the waiting room of your local hospital. Or you can place these in a waiting room of a doctor's office, clinic, eye doctor, dentist.

By doing this little thing you will please God and build on your rewards in heaven.

I learned many years ago that IF you want God to support you and IF you want to hear from God, if you want God to support what you are doing, then you must do something to impress God, something God wants done and that God will support. Remember it is (His will) and NOT your will that will impress God.

When I had my water filter ministry running and I was offering FREE water filters to everyone who asked. God supported this work and God on several occasions would show up right when I needed a pallet load of plastic pails to build these water filters with. And every single time God would show up and someone, somewhere would send me the \$1,200.00 for a pallet load of plastic pails.

Once, I had two precious ladies from Israel send me exactly \$1,200.00 via Western Union the very same day I prayed for a pallet load of plastic pails.

And God will work the very same way for you IF you are doing something for the Lord that God wants you to do, that God needs you to do, God will open doors and make a way where there is no way. Just like He did for me.

And God will do the same for you IF only you will trust in Him and do the little things God wants done.

And it's a little thing dropping off a Bible and a book in a waiting room. And who knows your little act can get very BIG results for the kingdom of God and your rewards will be great on earth and in heaven.

So, IF I will supply the Bibles, books & CDs will you be willing to drop these off at your local hospital or doctor's office waiting room? This will cost you nothing, only a little of your time.

And just like my water filter ministry, God will support me to make this possible for to give these to you. This way God will open doors for both of us.

IF anyone has an excuse to NOT do this it would be me, as I cannot walk any more than a couple dozen very painful steps and only with a cane or walker. But I do not use this it as an excuse, I Thank God for allowing me to do this. And as I have

Bibles & books in all the waiting rooms near me, the Lord says to ask for help and expand this ministry.

So that is why I am asking you to do this small thing for God?

Are you sure God is not calling you to do this? I think the Holy Spirit is tugging at your heart strings right now, WILL YOU ANSWER HIM?

If you need Bibles, books & CDs please let me know and I will ship them right out. Due to limited availability and demand, I can only send one, two or three sets of books at a time to each person for now. IF you need these Bibles by the case you can order them from www.Biblesinbulk.com (I use the economy Gift & Award Bibles).

If you contact me needing Bibles & books, be sure to include your name and full address, so I can get these materials right out to you without delay.

We are to walk by FAITH and not by sight.

God Bless you and yours MIGHTILY.

We pray God keep you and your family safe.

In this ministry we do not have 'partners' we have 'FAMILY'.

And we love and pray for you and yours like family.

WITH MUCH LOVE AND MORE GRACE FROM ABOVE
