**I ask everyone seeking an answer on how to save America, but unwilling or able to read the whole article, please scroll down to page 32-42 for the answer! The first part of the article establishes why this is the only answer to our threats.**

Father in heaven, in humility and understanding that my nation is at a crossroads, I ask you to give me your words through the Holy Spirit. Let these words reach into the heart of each reading, that their blinded eyes and deaf ears, will be opened to see that this nation is far from your will and heart. Let them understand the seriousness of the many threats now facing this nation and that now is the time for action, not division, if millions of American lives and souls are to be saved! In the name of your Son Jesus the Christ. Amen

Most of humanity is now realizing that a pivotal time in earth's history has arrived! Yet, even with the pandemic and economic chaos now besieging the world,

there are many questions but few answers. Even the political leaders, Biblical scholars, corporation CEO's, and religious leaders are confounded, lacking real answers. Seeking guidance and answers, this nation runs to their politicians and secular institutions for solutions, but find none. However, the answers have always be available for thousands of years, but only to those who seek God with all their hearts, minds, soul, and strength. Scripture promises that if we seek God in humility, without preconceived dogma, and in repentance, he is faithful to answer.

**2 Chronicles 7:14. " If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and forgive their sin and heal their land."**

The true nature of carnal led men, has always been the same, to seek answers from earthly men, but not from our Creator. Indeed, as King Solomon said, "There is nothing new under the sun, what has been before, will be again." God has been faithful to give warnings, through Biblical prophecies and warnings by his watchmen, of the consequences when a people or nation, turn from his commandments and seek after false gods (anything not of Jesus) to rule over them. However, we find a strange time when prophecy, >25% of Scripture, is not taught in most churches. From time immemorial, man follows the same path, and end in orchestrating their own demise. We always see man's propensity to take the wrong path, from Adam and Eve to the present, mankind seems always to choose to "do it our way"!

God in his divine nature and justice, allows free will, yet He is looking for those who choose to have faith and trust in Him. Did not Jesus admonish us to become like a child saying, "Assuredly, I say to you, unless you change and become as little children, you will by no means enter into the kingdom of heaven". God seeks not puppets, but those who have faith, for without faith, it is impossible to please Him, and for that reason He seeks those with a child-like natural who trust, without question, to obey His commandments which are always, not for His good, but for what is best for us. But just like Eve eating the apple and then Adam, they chose to not have faith in God. In that rebellion, sin and death came into the world, and God has allowed this disobedience to play out over the millennium to show man the consequences of choosing to not trust Him, which always leads to the endgame of death and destruction. It is not by God's hand that mankind would

perish, but by its own selfish desires and rebellion! We have entered the time of the beginning of the end!

The first thing a psychologist will determine when meeting with a new patient, is whether they will admit they have a problem, and then be open to critically examine the threat to their well-being. Until then, any effort to help the individual is impossible. It truly becomes a question of, are they willing to admit they have been wrong in much of their thinking, assumptions, beliefs, and reactions. There in lays the cognitive dissonance ( the state of having inconsistent thoughts, beliefs, or attitudes, especially as relating to behavioral *decisions and attitude change*) of their false paradigm of reality to the real world. I am perplexed beyond belief to realize most of America's citizens are literally "Dumb unto Death". The signs are bombarding this nation at every turn, yet there is little understanding of the times.

**"My people are destroyed for lack of knowledge: because thou has rejected knowledge, I will reject thee, that thou shalt be no priest unto me: seeing thou has forgotten the law of thy God, I will also forget thy children." (Hosea 4:6)**

From the beginning of man's creation, all continues as before, where only a very few will seek and grasp the truth. Many examples and studies have shown, in any crisis of any type, only 3% will accept the reality of a threat and consistently act to save themselves. Another 7% will act once or twice, but 90% will fail to act at all, even when faced with the threat of their and their families lives. This is the condition this nation is NOW FACING!

Quoting Dr. Paul Craig Roberts, former undersecretary in the Reagan Administration, said in an article titled, "Can We Survive Our Collective Stupidity"? He continued by saying, "I have come to the conclusion that *collectively Americans are mentally and emotionally stupid*. On any give day, there is endless evidence that this is the case. Just a few selections from news of the last couple of days should suffice to establish the point." To read his full commentary, go to below link: [www.paulcraigroberts.org/2020/06/09/can-we-survive-our-collective-stupidity/](http://www.paulcraigroberts.org/2020/06/09/can-we-survive-our-collective-stupidity/)

Our nation has arrived at the point, that it is not just the lack of knowledge, but the refusal to except the knowledge when given to them. Like an ostrich, most

prefer to stick their heads in the sand of denial, which begs the question, how to awaken the sleeping masses, both Christians and even secularists, to the threat to their survival? God is long-suffering, not wishing any should perish. In his mercy, he sends prophets and watchmen/women to warn before He sends judgment. Yet, mankind stubbornly denies the warnings of coming destruction. As this nation has abandoned its moral foundations based on the Judeo-Christian principles established at its founding, God's hand of his blessings and protection is being withdrawn. There is a famine of the fear of God and of truth in the land.

Scripture says, "The fear of God is where all wisdom starts". America is witnessing a plague of false teaching and apostasy, even in our churches, with a drought throughout the land, of truth and awareness of the times we are living. Man's hearts have become stone, with haughtiness, arrogance, self-love, without affection, and blinded to the truth. Each prefers to do what seems right in their own eyes, refusing to accept or follow God's word or will. Even most calling themselves followers of Christ, are lukewarm, having a form of Godliness, only giving lip-service to God, having become hearers but not doers of the word! The consequences are even now seen in the civil unrest, rioting, unruliness, lawlessness, declining church attendance, wars and rumors of war, talk of coming famine, reoccurring pestilences, civil war, financial collapse, and even hostility to Christianity.

**Isaiah 29:10-14. "The Lord closed your eyes, prophets, rulers, and seers hath he covered. People drawn to me with their mouth and with their lips, but have moved their hearts far from Me and their fear toward Me is taught by the precept of man....I will do a wondrous work, for the wise men shall perish and the understanding of their counsel from the Lord, and their works are in the dark, and they say, "Who seeth us? And who knoweth us"?"**

And if there is no truth in the land, it becomes the blind, leading the blind!

**Isaiah 29:14" .....for the wisdom of their wise men shall perish, and the understanding of their prudent men [Watchmen] shall be hid."**

None of this should be a surprise to those who read and study biblical prophecies, as God has warned of these very times we are living. Jesus told his disciples, when asked the question about his second coming, were told to watch for the signs of the season of his return. Even though Jesus said no one knows the day or the hour, only the Father in heaven, we should not fail to see the signs of the season of his coming. (Matt. 24: 1-51) spells out the signs of the season to watch for, and they are now here.

The signs Jesus gave in Matt. 24, are now increasing daily, as birth pains of a woman in labor. The intensity is rapidly increasing but few realize or refuse to accept, that the 2,000 years of the Church Age is about to close. It will soon be followed by God's wrath poured out in the "Time of Jacobs Trouble". During this time of Tribulation, all Scripture and prophecies will be fulfilled, to turn the Father's bride, the Jews, back to himself and saving them by their acceptance of Jesus, the Messiah that they rejected at his Son's first coming.

#### JUDGMENT AND THE COMING GREAT SHAKING OF AMERICA

Almost five years ago, when I was called to be a watchman and to warn this nation of coming judgment, I was led to write a book of warning, titled *"America: A Captured Nation; The Fall of U.S. and Failure of its Churches"*. It outlined the Who, What, When, How, and Why this nation has been captured by evil forces, and discussing how this nation would be led into chaos and even its demise. Like other watchmen, I only received negative responses, scorn, and ridicule, but I fully realized this was to be expected, as scripture related, "No words of a prophet (watchman) are received at time given." It is no different now, than when the Jews were first freed from bondage in Egypt, led by Joshua, and established as a nation. Yahweh, the Father, chose the Jews as His people (bride) to reveal Himself to the pagan world. Every blessing or judgment described in the Old Testament was to show how God dealt with the Jews as an example of what He expects from every individual and nation that accepted Him as the ONE AND ONLY TRUE GOD and warning them, there are none other like Me. All blessings and judgments were used to clearly show how God reacts to their faithfulness in keeping his commandments and following his Word. God chose to later come down from heaven, incarnating in fleshly form, in his Son Jesus, revealing His true nature.

America is only the second nation, besides Israel, in history that at its founding, was dedicated to God. Most Americans living today, have been “dumb down” to this fact, as our history has been revised, to not teach the truth of this nation’s founding. On the day of George Washington’s inauguration as the first president of the newly founded Republic, was to walk to Wall Street, to what was then Federal Hall in New York City and then to St. Paul’s Cathedral and dedicated this nation to God. Washington ended that day warning the new country, if America ever turned its back on God, it would not survive. *[It was no coincidence that Wall Street was where the nation was dedicated to God. Later it became the local where the Twin Towers of the World Trade Center stood, representing America’s wealth, power, and divine blessings. Yet later (9/11), it also came to represent the time when God’s protecting hands and blessings were removed from America.]*

America is largely living in a world of delusion to reality, but even some of the ostriches of denial are beginning to pull their heads out of the sand, seeking truth. This nation’s citizens are speeding toward an abyss built on lies, as we see by all the fake news, propaganda, psychological conditioning programs, and obstruction of the truth. We can no longer afford to be couch potatoes and bystanders to the catastrophes rapidly affecting every American. The time is swiftly approaching, even knocking at the door, with in-your-face undeniable calamities that will force each of us to decide whether to stand and fight or go quietly into the night. *If we do not choose wisely, we will finally become a truly united nation under poverty, disease, misery, and serfdom to a tyrannical, perhaps foreign controlled, government. In essence, all of us will become, no matter our race, color, ethnic background, gender, or country of origin, shall share in an equality of misery, hopelessness, and the current debt induced serfdom.* More threatening, will be the possibility of bondage to a socialist/communistic system controlled by foreigners under the guise of the U.N. and One World New Order system, even now being formed!

The big question, is just what are we confronting that can lead to our very survival including our very souls and lives, then ultimately to our demise? One only has to spend a few minutes perusing the daily news headlines to see the reason many do not even watch TV or read print media, it is just too depressing, and all seems hopeless in our conditioned state of helplessness. No wonder the ostriches prefer to keep their heads buried in the sand. Yet, if we are to regain hope, we must first understand the true threats!

## THE REALITY OF THE TRUE THREATS FACING AMERICA

### ECONOMIC MELTDOWN:

The greatest threat to this nation is an economic collapse. America's primary ascent into a world military power and economic behemoth, unlike any in world history, was attained from our God given blessings and subsequent great wealth. This wealth, besides giving Americans a living standard envied by all the other nations, has allowed it to impose its hegemony, influence, and control upon the entire world. Yet, all that is now threatened! The following list of threats is just the very tip of an iceberg representing the many calamities facing this nation. Do not be fooled into accepting the lie that the following are just "conspiracy theories"!

**(NIV) Isaiah 8: 12 "Do not call conspiracy everything this people calls a conspiracy; do not fear what they fear, and do not dread it."**

[ Failing to hear and accept real truth will only lead to not preventing and preparing for the true threats.]

**Isaiah 28:15. "...we have made a covenant with death and with hell are we at agreement.....we have made lies our refuge, and under falsehood [fake news] have we hide ourselves".**

**Jeremiah 14:12-13. " When they fast, I will not hear their cry.....but I will consume them by the sword, the famine, and by the pestilence." Then said I [Jeremiah], Ah, Lord God behold the prophets say unto them [the people], Ye shall not see the sword, neither shall ye have famine; but I will give you assured peace in this place."**

[Note: America is already seeing pestilence, famine (food insecurity by millions of our unemployed and poverty stricken citizens), soon to be followed by the sword (war)! Failing to discern the falsehoods and deception coming from our political,

institutions of learning, corporations, and even the pulpits, will end badly for all those deceived!]

**The following headlines are just a very small example of the threats.**

[US Dollar Devalues by 99% vs Gold in 100 years- Gold Price Crosses \\$2,067/oz](#)

The significance means the dollar is very rapidly losing value, which the gold price follows because of inflation. As dollar decreases, it cost more dollars to buy gold or many other commodities including food. Jan Nieuwenhuijs@Jan Gold says, "The Fed is expected to make a major commitment to ramping up inflation soon." Simply put, expect rapidly increasing inflation to make everything you purchase more expensive as the US dollar collapses in value.

The forced weaponized lock-downs of our country has pushed this nation beyond the point of no return. Tens of millions out of work, and more millions facing homelessness with rents and mortgages coming due over the following months, will only exacerbate this problem.

Unemployment is dramatically surging, and 55 million Americans have now filed initial claims for unemployment. Second wave of layoffs hitting workers after Covid surge. U.S. expecting biggest increase in economic misery across surveying 60 other nations. Now witnessing consequences of literally decades of incredibly foolish decisions now catching up with our nation. This economic depression will ultimately get a whole lot worse. There will not ever be a return to normalcy as we have known in the past. The nation our grandparents grew up in, no longer exist”\_ We have never had a society that borrowed this much money before. This means when all this debt gets wiped out, this might be historically worse than anything we have seen in the past. [Note: Only half of Americans of working age are employed!]

Enough said: The importance is that, not just the U.S., but the whole world, is headed for an economic crisis unlike anything ever experienced before.

You know we're in trouble when the fake news media, like CNN and NYT, are admitting a developing food crisis. Yet, America's mainstream media would have you think it is only affecting 3<sup>rd</sup> world countries. NOT! These media outlets, withhold the truth from Americans, the truth being America is also in the cross hairs of famine. This summer China has been experiencing unprecedented flooding which has destroyed most of this years crops, also destroying last years stored grain crops. China has already been forced to cull 100's of million of their hogs due to an outbreak of Swine Flu. The Chinese are being forced to buy vast food supplies from around the world where grain shortages have been declining and yes, even in America. America is not immune to famine. American history has been revised to hide the fact that during the Great Depression years, the U.S. population, which was less than half of our current population, was 7 million lower when it ended than before it started.

### **WHERE IS THE HOPE FOR OUR NATION?**

I have agonized greatly over this part of my article because it is the part most critically important. This morning, I was answering a friend -a fellow watchman- explaining why I have not finished this article after weeks of trying. The best excuse I came to was to refer to the story of Jacob wrestling with the “Angel” of the Lord who many think was really Jesus. Jacob and the Angel wrestled throughout the night. Jacob would not let loose until he had gotten an answer from the “angel”, but the answer came at the price of a permanently disabled hip. I told my friend, the wrestling match, in this case between myself and the Lord, was still not decided as to who would win.

Over the past weeks, I had been continually praying for help in the direction and style that this article should follow. The most contentious decision was whether to be careful, and trying not to be offensive. Continuing to use the symbolic wrestle between Jacob [me] and the Angel, finally the angel won the fight. I was to write without fear of offending anyone, but I was to just write what the Holy Spirit gave me to say. That settled, I sat down this afternoon and began writing this critical last part on August 19<sup>th</sup>.

I believe it is important to digress and inform anyone reading this why they should keep an open mind, truly considering what is being revealed and why it is so important. *It is truly a Word from God through the Holy Spirit.* My journey began in earnest about five years ago, but really began over 45+ years ago. In my

memory, I can never remember a time I did not know and believe in God, this despite having very little church attendance until five or six years of age. I was raised in a Catholic and Baptist family due to an interfaith marriage. Due to a divorce around age two, I was raised Catholic during the school year with my mom and Baptist during my summer school break.

It was not until I was in my mid-20's that I began attending other denominational churches, which included, among others, Baptist, Catholicism, Presbyterian, Methodist, Lutheran, non-denominational, Pentecostal, and Charismatic. Yet, I felt there was something missing. I sought an answer in small, medium, and mega-churches. I saw the good, the bad, and the ugly in them all. I was probably just the same as everyone else attending these churches, but knew there was something missing. Becoming disillusioned, I ended up not attending any church, wondering in a wilderness of self-doubt and sin for 15 years.

After those 15 years, I reached a point where I felt the need to try and find a church to attend. Having just retired and moved back to the small town where I grew up, I just picked a church near-by and attended one morning. Honestly, I spent most of the service praying, Oh Lord, do not let this be another failure, but I liked the people and even found out I had known the pastor as a kid growing up in the same town. Also, I found out that I had graduated from High School with the pastor's wife's brother! All seemed great, and I even volunteered to work in the town Food Bank which was run by this church.

However, something had changed from my many years wandering in the wilderness of denominational institutionalized mainstream religion. After deciding and then returning to attending a church, I noticed a change in me, when the pastor preached a sermon one morning that God would never judge America but only bless her, I knew it bordered on blasphemy. Something strange happened, a righteous fire of indignation rose up in me. It could not be extinguished until I began reading the Bible and researching for the truth to determine if the pastor's teaching was correct on judgment. I ended writing a nine page letter and dropped it off with the church secretary.

After a few days, I knew he had read it, because during Wednesday night church service, while greeting everyone in the small group assembled, he passed by me, stopping, turning back and then shaking my hand. He acknowledged receiving my letter only saying he did not agree with it. I had written nothing offensive, only stating Bible verses and quotes from other pastors and authors of articles on the subject. I later attempted to arrange a meeting with him in person

to discuss my thoughts, even if wrong, but he refused, using the excuse he was too busy. [Thinking back now, I realized his reluctance to meet with me, was deep down in his soul he knew I was right. I believe he preferred not to confront the truth.]

Now, why did I spend so much time relating this story, because it is germane to every thing else that is said in the rest of this article. I will just say that after 15 years, this first church experience did not end well with the pastor telling me to stop reading the Old Testament so much. I could only surmise it was because I had used the O.T. verses showing how and why God judged Israel (and any nation), and to prove why I felt it was appropriate to use the full counsel of God. Since God chose the Jews as his people to reveal Himself to all the pagan nations as an example of how he blesses those who honor and obey his laws. I used the examples from Scripture to also reveal how God judges a nation when they rebel and do not honor Him by keeping his commandments. My whole point was to show that God would judge America!

The question arises why did God have me go to this church and then let me have a bad experience? The Lord had began to show me many things. One revelation was that my wilderness experience was not in vain and the other revelation I received, by no coincidence, that this was the only church that I would have had an experience that would turn my life upside down forever. Unknown to me, this church that went by Maranatha Church of xxxx (my towns name), the current pastor had apparently been exposed, at some time in the past, to Pentecostalism. Yet there was no indication of any Pentecostal influence at his church. Having myself been in Pentecostal churches like an Assembly of God, my family and I attended for over 3 years, I knew the trademarks of that type church. Yet, this Assembly of God church had, like many others, had dropped its Assembly of God name and went by Lighthouse Church, but still believed in speaking in tongues which occasionally happened if someone with the gift of interpretation was present. Most people visiting the church would have felt very comfortable as it had nothing offensive, that many might think was fanatical or “weird”.

Returning to continue the story at this Maranatha Church, apparently the pastor still had old relationships with other pastors that had come out of the Pentecostal movement. One night at a Wednesday service, the pastor had invited a guest pastor friend who was in the area from out of state, visiting his wife’s family. This visitor gave the sermon and then looked out into the church, pointed at me, saying come up here, I have a word from God for you. I was shocked, having

never seen this happen before. This Pastor, Dr. Bobbie Hill, was CEO of Vanguard Ministries International, and involved in starting and mentoring new churches and pastors overseas.

Pastor Hill began saying, "God is telling you now is the time to move forward to accomplish what I created you for." There was more, but I chose to reveal just this part as it was the most important and somewhat understood by me as to what it meant. For about three weeks I pondered this word. Then again on a Wednesday night service there was another surprise visiting pastor. After the sermon, he began walking down the isle and with his guitar, signing a message of comfort to several people to address some personal problem. When he came down my isle, he stopped, put his guitar aside, got nose to nose with me, saying, "I have a word from God for you." It basically was the same message given to me by Dr. Hill, and was a confirmation to Hill's word. Thus, began my new life.

I will just touch upon the next three years. I immediately started writing, actually re-writing, a book I wrote 30 years previously, but had thrown away. It was a book of warning to America. [I now know it was too early for that book, yet the seed had been planted, I just needed many more years of refinement and purification by the Lord.] I wrote for 8 -10 hrs a day for two months finishing the book titled, "America: A Captured Nation; The Fall of U.S. and Failure of its Churches. My friends who had experience about writing books and how long it usually takes, were amazed I wrote it in only two months! It was very easy, as I just sat down, and the Holy Spirit just "Down Loaded" into my mind what to write, even things I thought were crazy to put in the book, yet I obeyed.

I edited and typed the book putting it in Ebook form and emailed it to any one requesting a copy, free of charge, as the Lord told me it was not my, but his book.

I continued to write many articles on every subject that the Holy Spirit put into my mind. I usually just received a few important words and then read Scripture, researched, and expanded upon those words. I have only received one prophetic word ever, down loaded in its entirety about the coming judgment of America. I was led to certain scriptural prophecies describing this judgment.

Sorry for this much too long an introduction to myself, but I felt it was necessary, so a person reading this will see, that I was chosen to perform this work for the Lord. I did not choose this task myself. I am now 71 and should be enjoying retirement, and not spending almost my entire waking hours writing warnings and telling people to prepare for what is coming. Yet, I have been shown over the years,

especially these past five years, what happens when you do not obey the Lord. Yet, let me just say, anyone chosen by God as a remnant believer for a special assignment, will pay a big price, mostly in the spiritual realm where the real battle is being fought between God and Satan. Yet, I have paid both physically and spiritually, in the most trying five year time period of my entire life. It is also exciting, only because the Lord has been revealing himself to me, how to truly know his thoughts, but all Praise and Glory goes to the Father and his Son Jesus. It is not me, but he who lives in me that gets all the credit, Jesus Christ and the Holy Spirit.

Having just mentioned a remnant believer, Scripture says that in every generation, God has a remnant of believers. At [www.clintonnc.com](http://www.clintonnc.com) defines what a remnant means. It says, God's remnant are those who are blessed beyond measure despite their failures and weaknesses. They are blessed because they are pleasing to God because of their faith. The Bible says over and over, that without faith it is impossible to please God. Why does God always prepare and preserve a remnant? Throughout biblical history, mankind in its propensity to follow their carnal nature, turn from God unto "false Idols", teaching abominations against the truth of God. In his mercy, God is always faithful to raise up a faithful remnant - the prophets, watchmen, and truth tellers. No man can use the excuse, "But only if we had known and been told of our lapse into apostasy, we would have turned back unto the truth. Even Jesus admonished such an excuse as invalid, saying, "Who of the prophets sent to you to warn and to reveal the truth, did your fathers not kill"?

Who are and what's the purpose of the remnant? The Word of God describes their purpose in the following scriptures, first proving God always has a remnant:

***Romans 11:5. "So too the present time there is a remnant according to the election of grace".***

***Romans 11:3-4. "Lord they have killed they prophets, and digged down thy altars; and I [Elijah] left alone.....the answer of God....I have reserved seven thousand that have not bowed the knee to the image of Baal."***

***Ezra 9:8. "...Lord our God, to leave us a remnant to escape, and .....that our God may lighten our eyes, and give us a little reviving in our bondage."***

***Genesis 45:7. ESV "And God sent me before you to preserve for you a remnant on earth, and to keep alive for you many survivors."***

The remnants purpose:

***Colossians 2:8. "Beware lest any man spoil you through philosophy and vain deceit, after the traditions of men, after the rudiments of the world and not after Christ."*** [The remnant are to occupy until the Lord's return, and shine the light of truth on deceit and falling away from the truth of the Gospel.]

Jonas Clark at [www.jonasclark.com](http://www.jonasclark.com) Outlines the eight characteristics of the remnant. Although he approaches it from a Dominion Philosophy, which I do not ascribe, the descriptions he offers are very valid. In following Clark's guidelines, I have outlined how the remnant can be recognized:

1. They recognize that when churches are built, the pastors must decide to either draw the multitudes or the remnant. Today to gather the multitudes is the primary mission of so many to accomplish the main goal of filling pews. As already discussed, the many modern churches have been trapped into maintaining a business model. This plan requires too many churches to water down the their message refusing to address sin and idolatry (turning from the true Gospel). As Clark related, "Many issues are not confronted such as homosexuality, pornography, adultery, and national influence of corrupted politicians. Failure of the public school system, and worldly music that is impinging the Church. Regardless of those turning their backs on God, others stand boldly, like John the Baptist, as a voice of one crying in the wilderness make straight a highway for our God. The true and faithful are those still teaching an uncompromising gospel which still convicts of sin and confronts the demonic powers of darkness."

2. The remnant understand the need to follow the apostolic call to build and restore. *Isaiah 61:4. "And they [remnant] shall build the old wastes, they shall raise*

up the former desolations, and they shall repair the waste cities, the desolations of many generation."

3. They believe that in being led by the Holy Spirit - the Spirit of Truth. Romans 8:14. "For as many as are led by the Spirit of God, they are the sons of God". They believe in what the Apostle Paul in 1 Cor. 14:1,39. "Follow after charity, and desire spiritual gifts, but rather that you may prophecy. (V39) Wherefore, brethren, covet to prophecy, and forbid not to speak with tongues." All of this Chapter 14 in 1Corinthians, attest to the importance of having not just the baptism in water, but also the second Baptism in the Holy Spirit and accompanying gifts. The remnant understand that we worship and speak to God in and through the Spirit, and they know that the reason the Church today has no power, is because it has rejected the importance of the Holy Spirit to move and touch man's heart. It is the Spirit that leads men to Jesus. As for all the false prophets and teachers today, they speak deceit and falsehoods if they do not have this separate Baptism in the Spirit, are at threat of leading to a drought of truth in the land!

4. The Remnant know the importance of being doers of the Word, not just hearers. James 1:22-24. "But be ye doers of the word and not hearers only deceiving your own selves.....he is like unto a man beholding his natural face in a glass. For the beholdeth himself and goeth his way, and forgetteth what manner of man he was."

5. The Remnant understand the need to be as Jesus referred to himself as, "The Light of the world." As Isaiah 58:12 was quoted in above #2 characteristic of a remnant believer, they know their duty is to carry the Light of Christ unto a world covered in darkness. The Church over the last few generations, have allowed their light to be extinguished!

6. The remnant know all power to defeat the devil was given to every Christian my Christ's resurrection when on that first Pentecost, after Jesus ascended into heaven, sent the promised Great Comforter, the Holy Spirit. The remnant know that only the Holy Spirit can empower the Church, and using the name of Jesus can give victory over Satan and his darkness flooding across the world. The Lord Jesus' sacrifice that day on the cross, defeated Satan, yet it's up to his Church to avail themselves of this power. Today's Church must be reminded of the need for the Holy Spirit involvement in giving victory.

7. The remnant operates out of a child like faith and trust in God. They fear God, not man. When confronted with great peril, adversity, and threats, they do

not shrink back in doubt or double-mindedness. They are obedient to God's word and the urging of the Holy Spirit. Even when not knowing why they are given instructions without knowledge of why, they move out in faith.

8. The remnant understand they were created for a purpose by God. The primary goal is to follow the Lord's commandment to go into all the world and spread the Good News of Jesus' crucified unto salvation.

#### THE PURPOSE OF THE REMNANT AS DESCRIBED ABOVE

[First purpose is expose the deceptions, lies, and falsehoods of this world.]

***Jeremiah 14:14-16. "The prophets are prophesying lies in my name. I did not send them, nor did I command them or speak to them.....I [the Lord] did not send them, and who say, 'Sword and famine shall not come upon this land': By sword and famine those prophets shall be consumed. And the people to whom they prophesy shall be cast out in the streets.....for I will pour out their evil upon them."***

The remnant are trying to warn of the false prophets and teachers, even in the pulpits. The following will give the evidence of the false teachers and how to identify them. The reason for attempting to establish my credibility as a remnant is not to give any recognition or glory to myself. I am indeed as scripture relates. God chooses those like me, unknown, the lowly, and those who understand they have nothing to offer this world except what the Lord reveals through his chosen remnant. I have no illusion in any abilities in myself, but I only have what is revealed to me.

Now to the importance of this message and why I wrestled and agonized over this so much. It has to be perfect, truly Holy Spirit inspired, and infused with God's words to open eyes to see and ears to hear the truth. Literally, millions of lives and souls are at stake, including the very survival of this nation. If I have been obedient and written down God's words as revealed to me, then it will fulfill its purpose, as no word given from God returns empty of results!

**Isaiah 55:11. “So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.”**

During the past five years of sounding a warning to America, especially its pastors, I was totally rebuked. Yet, I knew that it is written, “No prophets [watchman’s] word given, is received at the time given”. I resigned myself to knowing I was only planting seeds for a future date. However, I was still amazed how so many people, including Christians, were so closed minded, blinded, and unable to hear the truth, much less receive it. I first believed it was because of the unrelenting brainwashing by government propaganda, media lies, social programming, liberal school educational system, and false teachings from many of the pulpits.

I was aware that most of the Western World, especially Europe, were no longer Christian, but secular, including the U.S. The true growth in Christianity is now occurring in third world nations where persecution and martyrdom is increasing, but why? Third world nations are not lulled to sleep by prosperity, comfort, and materialism. They know there is something more important than just existing. Their leaders, witch doctors, Muslim Imams, and false gods have failed them. They are seeking the truth! It was then brought to my mind why the West has fallen so far from God, even though blessed with the truth as no other culture.

Western Civilization is collapsing because it has rejected the truth, preferring to live in unrighteousness rather than follow God’s commandments and laws.

**(2Thessalonians 2:11-12.) “And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.”**

In conversing with the few watchmen/women that I have found, they all express the same frustration in their warnings not being received! I know that we fight not against flesh and blood, but evil and darkness in high places.

**Ephesians 6:12. “For we wrestle not against flesh and blood, but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places.”**

I have learned that It was no coincidence that the Lord led me to the answer I was seeking. Over many days, as already stated, I agonized and prayed for how to start this last part of my article. During one of my prayer walks , I had specifically been asking to be shown the answer as to why it seems impossible to reach-out and even initiate a conversation about threatening current events, much less about God’s will. Even many “devout” Christians do not wish to hear about prophecy or truth.

The answer I had prayed for came that next morning when turning on my note pad, a video popped up, and I immediately knew to watch it. It was by an elderly man with a long gray shaggy beard, reminding me of a W.Va. Hillbilly, no offense intended, as I have learned to never judge a book by its cover. In actuality, he was a retired pastor, with seldom seen common sense, wisdom, and the type of real intellect that comes from God. His name is Michael Pearl, an American, Independent Baptist and Christian fundamentalist pastor, missionary, evangelist, and book author. He is best known for his book, “To Train Up A Child”, at [www.nogreaterjoy.org](http://www.nogreaterjoy.org) .

He began quoting, *Matt.5:14. “Ye are the light of the world. A city that is set on an hill can not be hid”*. Pearl continued to explain the difference between a conservative and a liberal. I have given much thought as to why liberals seem to be so beyond reason, disregarding any facts, mean-spirited, and often seem insane or demonically oppressed, if not outright possessed! Pearl related that this nation is caught in a war between God and Satan, between light and darkness, and between good and evil. Liberals, in rejecting God, the Constitution, Capitalism, and almost anything that has made America so great, consider it as an old and outdated truth. Yet, we now find this nation has rebelled against God and its founding principles, established on Judeo-Christian values and God’s laws.

A liberal mindset, only resource is to become unhinged when confronted with the light of facts and truth. Their response is usually a verbal assault and now even physical attacks, because they can not tolerate the light, but prefer to remain in darkness. The Light of this world, Jesus’ word and from those born again,

spirit-filled Christians, is like a laser beam burning into their darkened hearts. Liberals, even many calling themselves followers of Christ, are not truly born again Christians. They recoil from the light which would expose their sins, false reality and wisdom, corrupted doctrines, and weaknesses. As scripture warned, this day would come when men will become lovers of self, haughty, prideful, and blinded to the truth, only believing the lies of their culture and society. To have the 'True Light' of this world revealing their unrighteousness is intolerable, so they now call good evil and evil good. Instead of God's light that says, abortion is murder, these creatures of darkness now say it is good for women to have the right to choose abortion. They say the pro-life advocates are evil, controlling, out-of-step with the real world, and uncompromising. They say conservatives are not tolerant of freedoms in allowing others to choose how they wish to live. Liberal darkness includes homosexuality, living together outside of marriage [fornication], pornography, no right or wrong moral code, there is no single path to God, but many ways. Christianity is outdated and evil, but the New Age of 'Enlightenment' is good where mankind has the freedom to act and do anything that seems right in their own eyes, not some misguided concept of only one God who is cruel, revengeful, and demanding of obedience to his laws alone.

#### THE REAL SOLUTIONS AND HOPE IN THIS DYING AND DELUSIONAL WORLD

[Now is the time to seek out the remnant who are revealing the truth.]

Now is the time to either continue seeking man's failed and delusional carnal solutions or to seek true answers in the spiritual realm where our real battles are being fought! We either choose God's truth or we choose Satan's demonic lies. The following steps will be laid-out toward fighting back against the darkness of this world.

**Matt. 24: 4,5,11. (V4) ".....Take heed that no man deceive you". (V5) "For many will come in my name, saying, I am Christ [or speaking for him], and shall deceive many." (V11) "And many false prophets shall arise, and shall deceive many".**

### STEP 1 - EXPOSING THE FALSE PROPHETS AND TEACHERS

Therein rest the real problem in today's world - who to believe! Now is where I begin to offend many, especially pastors. Yet, my intent is not to offend, but to open eyes and reveal much truth currently hidden in this "age of religiosity", but hidden spiritual truths, which is a broader concept. Wikipedia defines religiosity as a concept broadly held by religious orientation and involvement, experiential, ritualistic, ideology, intellectual, consequential, creedal, communal, doctrinal, moral, and culture dimensions.

As all man-made organizations, institutions, and governments always begin with very limited by-laws, rules, guidelines, and simplistic structuring. However, as time pasts, more and more of the above mentioned creeds, ideology, doctrinal, and cultural influences keep growing until the organization begins to be ineffective, burdensome, controlling, and unwieldy. Take the first authorized state Christian religion, which was legalized by Emperor Constantine of Rome. It eventually morphed into The Catholic Church, a monopolistic organization of both spiritual, economic, military, and a governmental monstrosity controlling most of the nations of Europe. It came under tremendous pressure from its many abuses of power, like selling repentance of sin by the Catholic priest in the required confessional booth.

The church became so unwieldy, that a priest, Martin Luther, demanded reform which was one of the events that began the Protestant Reformation. The American religious system has now arrived at the same junction, where there is a growing dissatisfaction of the status quo. Pressure has increased, forcing many denominations to re-evaluate their stale, traditions, and unfortunately ineffective instituted doctrines. As an example, while visiting a sister out of state, I attended a church in her small town. The pastor was lamenting during service, that his and many of the other denominations in town were experiencing declining attendance. My sister explained that one church hired a somewhat well known younger music director. His updated style and music attracted youth who got their parents to move their family to this church. Soon, the music director got a better offer and moved to another nearby church, but took a large part of the membership with him. Even my sister's church, steeped in traditions, with very little fresh preaching

mostly just reciting church dogma and creeds, felt the pressure to start a youth music ministry, with little success.

The point being, that too many churches are grasping for straws, turning to emphasizing social gatherings, baseball leagues, latte coffee machines, hip music bands, and even New Age practices like Yoga, and the list goes on. Yet, along the line, *the entertainment factor became more important than than God's Word*. At her church, while visiting my sister for the summer, I noticed something disconcerting. In the four months I attended, I noticed the name Jesus was very rarely used. The sermons were almost all about the pastor and his family. In a determination to find out the problem, I made an appointment with the pastor. As my sister had invested 40 years or more at that church, I was concerned she had not been receiving any "meat" of the gospel. There was never any talk about sin, repentance, or prophecy. During the meeting, the pastor made the statement the reason there was such a "seeker friendly" atmosphere, was because no one wanted to hear the hard truths about sin, hell, and the judgment spoken in prophecy. [At least he was honest.] Obviously, as already mentioned, the church had lost many members, mainly to the older faithful members dying off. The youth, as soon as leaving home, quite attending church, thus the pastor was trapped into worrying about not preaching anything that might offend anyone. He could not afford to lose a tither. There were other severe problems within his church, as well as within his regulating denomination church council.

Throughout my wandering in the denomination wilderness, I had seen all this before, so it was not difficult to see the mostly bad and ugly. I used this church experience, since it represented most of the other mainstream denominations I had experienced over a lifetime. As there are so many pressing problems overwhelming America's churches, I had to decide which was the most critically important issues. One of these issues is false teaching, prophets, and the perversion of the gospel, trying to accommodate not only the memberships, but to the New World Order rapidly taking control of this nation.

It is certainly true that Jesus warned there would be false teachers and prophets in these days. For most of my life, I was very naive, trusting in the good intentions of most, desiring to believe what I heard was true. Now, I find it so hard to believe anyone, even those boldly calling themselves prophets and prophetess. I finally read and took to heart, the biblical admonishment to trust no man's word, but only the Word of God. It has made life so much simpler and much less confusing. Until one realizes to believe no carnal man's word, but only God's Word

revealed by discernment of the Holy Spirit through personally reading and studying the scriptures, you will be only led into confusion.

With all the voices bombarding us now, who can we trust? Even many in our pulpits are subject to teaching falsehoods, whether intentional or not. Yet, we have so many religious ‘folks’, saying don’t question or speak against God’s anointed pastor, prophet, scholars, etc. That leaves one wondering, who is truly anointed and truly hearing from God? It is right to use caution and not bring a curse upon oneself, as we have been trained not to speak out against church leadership. If one tries to point out false teachings, they are accused of being judgemental. How many times has one heard, “Judge not, lest you be judged!” Yet those using this verse, do not seek the truth by searching scripture which reveals that it is allowed to give righteous judgement against sin and apostate teaching of the Word. One would believe that false teaching is a sin and should be criticized and judged!

I am waiting for a denominational Church Council, pastor, or any religious leader to reveal a plan to expose or remove false prophets and teachers from pulpits. Perhaps I am asking for the impossible, yet I know with God nothing is impossible. That begs the question, could God be using judgment, like this pandemic, to remove these apostate pulpit emissaries of darkness, leading their flocks astray? Our multi-generational denominational current religious system has had the past 60+ years to establish, “God’s kingdom on earth, as it is in heaven”, yet I see little evidence of that happening. Rather, I see churches closing, attendance continuing to decline, our younger generations finding Christianity as irrelevant in their lives, and rampant corruption throughout our society!

Perhaps the Lord is starting to reveal it is now the time for a new, united, fresh move away from a stale, traditional, and ineffective current church model. As Pastor Mario Murillo related in his two books, “Vessels of Fire and Glory” and “Reaching Critical Mass” concerning revival saying, “There has never been in the past a substitute for revival to bring people back to God. But now he says, **“there is no alternative but revival to save this nation”!**

Murillo asked, but where are the great godly men from our past like George Whitefield, Jonathan Edwards, Charles Spurgeon, and many others that can move this nation into revival? I cringe to think seeing many of the men/women filling our pulpits today, and wonder where will these needed anointed men come from? There would seem to be few candidates from the masses of seeker friendly, prosperity, hyper-grace, and lukewarm preachers afraid of offending men. They

seem to be trapped into preaching a perverted gospel of accommodation to the new world order and globalists, more than fearing God. As most churches have primarily become businesses selling religion, they're trapped into worrying about maintaining and increasing attendance to increase tithing to meet budgets. Then they are forced to preach to itching ears that do not want to hear about sin, repentance, hell, or prophecy, afraid to offend anyone.

I have seen pastors on the internet lambasting those who say they can not find a good church, so they are forced to teach themselves scripture at home or try to form a home study Bible group. To speak against attending most churches and not tithing is considered "excrement", as one pastor described these beliefs. I would think it would be more production to find out why more and more people are complaining how hard it is to find a "good church", one teaching the "meat of the Gospel". As we watch the overwhelming threats facing this nation, most churches are still not teaching prophecy, much less recognizing we're living in the last days. [My personal opinion, those finding it hard to find a "good church", are probably part of the remnant.]

As one calamity after another befalls our nation, our churches for the most part are living in a delusion state of reality, or refusing to discuss many Christians concerns, fears, joblessness, homelessness, economic collapse, families falling apart, increasing divorces, suicides, threat of WWIII, and much more. To those pastors not teaching prophecy, it leads to confusion and fear. This is one of the reasons so many are unable to see the signs of the times. Jesus warned the Pharisees of being blinded to the signs of the season, so much so, that they could not see the Messiah they were seeking was standing in front of them.

To those church leaders not teaching prophecy, you had better wake up and realize that the 25%+ of the Bible is prophecy for a reason. It is given to prove God's existence, as He is the only one that knows the beginning from the end. Also, prophecy is given so God's children will not be caught unaware and can prepare for coming judgement. Teaching prophetic warnings actually removes fear and confusion. It answers many of the questions weighing on people's minds and prepares them. Knowledge of prophecy saves lives, just like the Christians that heeded Jesus' prophecy of the coming destruction of the Temple, and they fled before the Romans had encircled the Jerusalem and reportedly slaughtered a million Jews.

In summary, there is a "famine of truth in the land" where the blind are leading the blind, and most are living in fear of the future. The people look to their leaders,

both political and religious leaders, but they see no real answers. When the wicked rule, the people suffer! It is time for Americans, especially Christians to awaken from their brainwashing, psychological conditioning, apathy, complacency, and delusion and realize, "THERE IS NO SECULAR OR POLITICAL SOLUTION TO A SPIRITUAL PROBLEM. The next part of this article is to shine a light toward the path that leads to real solutions.

Before ending this last part of this article, I must reiterate one of the most critical warnings - that most people have chosen to bury their heads in the sand like the ostrich. Preferring to hide from reality, they refuse to hear any facts or signs of the time. Truly, the scriptural warning, "My people perish for lack of knowledge". Yet, it goes far beyond just lacking knowledge, but into how to use the knowledge wisely! This morning, Aug. 22, as usual, I turned on my notebook to read the latest headlines. The first headline that caught my attention, was an article titled, "Lukewarm and Carnal Christians Should Heed This Prophetic Warning".

This article, by Dr. Jamie Morgan, lead pastor of Life Church in Williamstown, New Jersey, brilliantly reveals the condition of our churches. Dr. Morgan said:

"God always warns the body of Christ when the devil is planning something against us of a coming move of the enemy that will target lukewarm, worldly and carnal Christians." [Note: This is why I have emphasized the importance of listening to the remnant sounding the alarm.] She proceeded to relate a dream, so dark of trouble on the horizon saying, "The Lord made it clear that the agenda of Satan in this hour is to bring destruction to the body of Christ by attacking Christians who can't tear themselves away from the things of this world." Dr. Morgan continued speaking of the vultures in her vision swooped to attack and put their victims in a spiritual stupor. Saying, "causing the lukewarm, worldly and carnal to think they were spiritually solid when they were not. Their hearts became hardened to truth whenever spoken.....they became even more vulnerable to the enemy's attack, resulting in an already weakened spiritual state becoming weaker still." She ended by saying, "**Brothers and sisters, I implore you to wake up! The only antidote for lukewarm, worldly and carnal living, is repentance.**"

[ Taken from [www.charismanews.com](http://www.charismanews.com) ]

Americans, indeed the world, is living in a delusion reality, and unable to recognize this fact. This nation's citizens of deniers, are speeding toward an abyss

built upon lies. Remaining a couch potatoes and bystanders to the catastrophes rapidly descending onto us all, is no longer an option, for you and your families lives and souls are in jeopardy!

**Psalm 81:12. “So I (God) gave them over to their stubborn hearts to follow their own desires”.**

**2 Timothy 4:3. “For the time will come when they will not endure sound doctrine, but having itching ears, they shall heap to themselves teachers in accordance with their own lusts”.**

America you have gathered around yourselves the leaders, in political, educational, secular, and religious institutions that you desired and deserve! It is now time to discuss how to return back to God and unto salvation, both physically and spiritually. The following solutions are for those that the Holy Spirit has touched and awakened their stubborn, cold, and hardened hearts to the truth.

As we do not fight against flesh and blood, but our true enemy, Satan the ruler of this world, spreading darkness over this deceived world. The first critical point is to understand the battle is in the heavenly places, where the fight is between Light (Jesus) and darkness, between good and evil, and truth over lies. The part of the battle is to accept that the Bible is supernaturally orchestrated and inspired by God over thousands of years and written as a guidepost to every person reading it. All its scripture, down to the least dot and tittle, has meaning, often hidden, but revealed to those through the Holy Spirit, who seek the truth. If anyone reading the Bible does not accept every word, then they should discard it or file it under fiction.

The task then becomes to discern what is trust and what is misinterpreted by so many false teachings and “prophets”. Recognizing that there are very few true prophets, but many teaching falsehoods. As an example, Elijah was confronted by 450 of these false prophets of Baal.

**1 Kings 18:38-40, “Then fire from the Lord came down and burned the sacrifice....the people saw this and fell down to the ground, crying the Lord is**

**God! The Lord is God!.....Then Elijah said, ‘capture the prophets of Baal! Don’t let any of them run away!....Elijah led them down to the Kishon Valley, where he killed them.’”**

Therein lays the critical need to expose the false prophets and remove them by boycotting them from their pulpits, TV shows, websites, books, CD’s, and any platforms used in spreading falsehoods. The difficulty comes in identifying these charlatans. Scripture gave one way to expose these prophets, was to see if they ever gave even one prophecy that did not prove correct. In today’s world, it is much harder to ascertain the evidence against them, as they often give a convoluted word or change their prophecy at a later date. As few people will take the time to use the internet or read their past writings, it is almost impossible to catch the lies.

One way to discern these false prophets or teachers, is to test their words against the Scriptures. I have learned to test the spirit, using the discernment of the Holy Spirit and the Bible. As an example, using the Old Testament, I read the writings of the prophets like Jeremiah and Isaiah. Almost always, a true prophet will be considered by his contemporaries as a “Prophet of Doom and Gloom”, for revealing the hard reality of truth. Rather than accepted, they were scorned, beaten, ridiculed, and even killed. Taking as an example, ancient Hebrew writing recorded that Isaiah was sown in half! Now compare this to the acceptance of the false prophets who always spoke to itching ears, saying what the people wanted to hear and easily accepted as truth.

**Jeremiah 14:13. “Then said I [Jeremiah], Ah, Lord God behold, the prophets say unto them [the people], Ye shall not see the sword, neither shall ye have famine, but I will give you assured peace in this place”.**

I have learned to use this verse to immediately recognize a false prophet, and there are many, making all the religious TV, radio, and internet interviews promising America is going to be blessed and return to its former might, wealth, and glory. God is going to move in a mighty way, they say, to restore and bless this nation. Since few Christians read the Bible much, but depend on their pastors to inform them what they should believe, deception has creep into the Church. The

flocks do not comprehend that many of their pastors, like most of the masses, have also been deceived and led astray. For this reason, there is little truth in the land. The rise of the prosperity, seeker friendly, and hyper-grace teaching pulpits readily attract the itching ear crowd. Most churches do not even preach prophecy, considering it too scary and expressing too much “doom and gloom”. **Remember, it is not the 95% of correct teachings, but it is the 5% that is false teaching and doctrine that can be spiritually fatal. Also, that which is not taught can be just as fatal!**

If more pastors were teaching prophecy or inviting prophecy scholars to teach at their churches, then the significance of prophecy would be readily revealed. Using the prophet Jonah as an example, Nineveh heeded his warning to repent and turn from their evil ways, or God would destroy them. What few know, is that Nineveh had been prepared by God, to listen to Jonah when he came to warn them. The city had experienced a total eclipse of the sun and was dealing with a plague. Both of these signs were recognized by Nineveh to be omens of judgement. In comparison, America has been similarly warned with 9/11, '08 economic collapse, and now a pandemic. This nation even had a recent total solar eclipse that crossed the entire nation from west to east, not crossing any other nation. Even more chilling than this recent eclipse, is that it will repeat again in 2024, going across the nation from the opposite direction, in essence, making an X across America. Yet, this nation has refused to humble itself, repent, turn from its wicked ways, and turn back to God and our founding principles as a Christian nation, dedicated to God as “One nation under God”. If only this nation had enough good sense to follow Nineveh’s lead and humble itself, repenting in sack cloth and ashes, from the lowest to the highest, even our national leaders!

This nation still seeks answers from our leaders, institutions, wisdom of men, and blindly following its religious leaders, and this reaction against all biblical admonishment. This country still refuses to turn back to God, and is unable to recognize that God will not answer the prayers of the unrighteous! Will America ever understand to stop following carnal men, seek God alone for the answers, and most importantly, repent for its many individual and collective sins? I pray America, especially Christians, awakens from its spiritual stupor, repents, and ask God for forgiveness for being accomplices to this nation’s fall from grace. There is no other alternative or hope for this nation!

**Jeremiah 17:5. “Thus, saith the Lord, Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord”**

**Jeremiah 8:7. “How do ye say We are wise, and the law of the Lord is with us? Lo, certainly in vain made he it: the pen of the scribes is in vain”.**

**Jeremiah 5:31. “The prophets prophecy falsely, and the priests bear rule by their means and my people love to have it so: and what will ye do in the end thereof”.**

**1 Corthinians 3:19. “For the wisdom of this world is foolishness with God. For it is written, ‘He taketh the wise in their own craftiness’.”**

### **STEP 2. HOW TO AWAKEN THE MASSES, CHURCHES, AND CHRISTIANS**

As already detailed, the American public must be awakened from their induced stupor by all the age old forces of darkness. The many threats that are aligning to overwhelm this nation, being warned about by the watchmen and true prophets, some for decades, like David Wilkerson. Yet, he was dismissed, ridiculed, maligned, and barred from speaking at most of America’s churches and denominations. One only has to read one of his several books, to see the validity of the truth he valiantly tried to expose to this nation. As a testimony to his true prophetic words, many have already occurred, now only awaiting the endgame to see all his warnings fulfilled.

The book I wrote, was an attempt to awaken America to the truth that even Presidents John F. Kennedy and Dwight Eisenhower tried to warn the nation. They warned of the Military Industrial Complex and the secret societies (Deep State) embedded in this nation with all manner of evil intents. These nefarious evil threats have been playing out since the world’s first attempt to create, a “One World Order”, beginning with Nimrod in the building of the Tower of Babel. Except for God’s direct intervention, humankind’s first world government, economy, and false religion, would have been established. This same plan has been continued

down through the ages with Babylonian, Egyptian, Greek, Roman, Islamic, and Nazi Empires -to name a few- whose goal was a world without God.

The last attempt to establish a world without God, has morphed into the “Deep State” - going by names like Illuminati, Globalists, U.N., CIA, Freemans, the Federal Reserve System controlled by the House of Rothschild, and many more names. All these listed have only one goal, the a age old plan by our” Great Adversary” Lucifer, to be eventually led by the Antichrist- indwelt by Satan himself.

God is now allowing man’s rebellion to play-out, revealing the consequences of choosing to deny Him, which always leads to the endgame of death and destruction. *It is not by God’s hand that mankind would perish, but by our own selfish desires and rebellion!* If God did not intervene by shortening this end time scenario, foretold in prophecy, no flesh would be left alive. Our hope rest with God, who is in control and the promised salvation by accepting Jesus Christ as Lord and Savior. Only leaving the question, “How do we Awaken the Masses”?

### STEP 3. DETERMINING WHO WILL TAKE RESPONSIBILITY FOR THE “GREAT AWAKENING” [REVIVAL]?

Many would assume it will be led by the Churches of America, but in this case, it will not be the churches primarily responsible for the awakening! In the past, any Great Awakening like the ones in America, which started in the early 1800’s. Referencing [www.khanacademy.org](http://www.khanacademy.org) : “Rejecting to what appeared to be sterile, formal modes of worship in favor of a vigorous emotional religiosity”, evangelists from several Protestant denominations: Congregationalists, Church of England, Anglicans, and Presbyterian, came together. This awakening was led by men like Jonathan Edwards and George Whitefield, seeing other denominations getting involved like the Baptists and Methodists.

The above description of these early awakenings in America, one would see it was not confined to one denomination or church, but broadly dispersed. Even the more recent revivals like the Azusa Street Revival in the early 1900’s and the later Jesus Movement in 50’s and 60’s, all were recognized by a great move and Baptism of the Holy Spirit. Now, this reality would make it exceedingly hard to replicate such a movement today. Americans churches and denominational institutions are extremely divided now in doctrines and theology. Almost none recognize the importance of the Holy Spirit’s need in church worship and evangelism, and

certainly do not see the need, besides Water Baptism, for a Baptism of the Holy Spirit and bestowing of gifts like speaking in tongues.

In my years of wandering the denominational wilderness, I even found most of the Pentecostal churches that came out of the earlier revivals, had mostly distanced themselves from the importance and renewing of fresh anointing in the Spirit. Even the gifts were barely emphasized. In reference to my first experience in a Pentecostal church, an Assembly of God I attended in Virginia in the mid 80's, after being there three years, I don't remember any teachings or emphasis on the Holy Spirit. My only exposure was to an occasional speaking in tongues and its interpretation.

The logical place for a revival to begin would be in our churches. Yet, this time is different. As our churches have become so dogmatic in each church and in their denominational affiliations tenets, I can not see the new move of God coming will get any traction in most churches. Rather, the move will by-pass the churches, because they will refuse to abandon the traditions, doctrines, dogmas, and business models strangling them. The evidence that most churches will be by-passed in the coming great revival are:

1. A very good critique, of why America's pulpits have become so ineffective in truly changing people's lives and the nation, was given by the founder of The Salvation Army. No comment required, as the quote is self explaining.

**"I consider that the chief dangers which confront the coming century will be.....religion with out the Holy Spirit, Christianity without Christ, forgiveness without repentance, salvation without regeneration, politics without God and heaven without hell." by WILLIAM BOOTH**

2. Most denominations have long ago thrown the Holy Spirit out of their churches as being irrelevant in today's church, especially the gifts of the Holy Spirit. As they cannot discard the biblical references to the Spirit's importance, the Spirit is relegated to the Apostles time. (More about the importance of Holy Spirit later.)

3. Pulpits have weakened the gospel to be non-offensive. Little or no preaching about sin, Hell, continual repentance, prophecy, self-denial, picking up one's cross

daily and bearing the trails and tribulations in servicing God, or putting Jesus first in all areas of our lives.

4. As Pastor Murillo related, the Church has become more interested in church growth, resulting in a dumb down audience. Many churches had to compete with the mega-churches with their rock bands, big screen TV's, and smoke machines to entertain the masses. Thus, the focus shifted from teaching the quality of strong, effective, and enduring Christians of faith, to weak quantities to pay the salaries of a charismatic figure with the large office staffs, sprawling church edifices, sound systems, and latta machines.

5. Too many pulpits have become a shallow well of biblical knowledge, teaching around a limited theology of one or two pet doctrines like God is Love, but no talk about judgment or Hell. One example is hyper-grace movement. This theology has released a shallowness toward prayer, soul-winning, and discipleship in general.

6. The silencing of God's true prophets and remnant believers trying to give a new revelation. Over the last few decades, the focus has been to fill pews, with an explosion in attracting a seeker friendly crowd. As one Lutheran pastor confided in me, I can not teach the whole truth in the Bible because most people don't want to hear it. Too many pastors today are trapped into preaching to itching ears only wanting to hear soothing words, not anything negative that pricks their consciences. These nominal Christians warming the pews in this seeker friendly atmosphere, will be the first to leave a church if their consciences are ever pricked by the truth. The true believers seeking a purity of teaching, and wanting to move forward in their relationship with Jesus and the Father are kept suppressed. They sense a new move of God, but are unable to find a church that meets that need. Like me, they end up wandering in a denominational wilderness drained of the Holy Spirit, caught in a spiritual wasteland.

7. Pastors silence those individuals with a God given special revelation that is meant to enlighten and nourish a spiritual drought stricken flock. Pastor David Wilkerson, as already mentioned, was a true great prophet of God, but was shunned and driven from many churches. As often happens to a real prophet, their message is not received at the time given. Yet, like Wilkerson, many years later, these remnant of the truth, are proven correct in their warnings and disturbing prophecies. Murillo said it best, "The greatest gift God can send a church is a holy child of God." Their heart is toward revival. They want the fire, glory, and power of

God to electrify the church. Make them an enemy and you have also made an enemy of God”!

8. Our pulpits have drawn contaminated flocks that resist true teachings, only desiring a weak gospel that soothes their itching ears.

2 Timothy 4:2-4.

**“Preach the word; be instant in season, out of season; reprove, exhort with all long-suffering, and doctrine. For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables.”**

In the steps 1-3, the reasons why the American Church has become so far removed from God’s heart, has been detailed. In Step 4, the solution to turn-around this deplorable condition is revealed!

Step 4. WHAT IS THE ANSWER TO THE THREATS FACING OUR CHURCHES & NATION

The solution has already been touched upon, being the need for a “Great Awakening”, led by the Holy Spirit. There is no other substitute or alternative if America is to survive! To those denying the facts that America’s survival is at stake, I offer these scoffers a medicinal prescription dose of reality! **If this nation does not soon apply the eye salve of the Holy Spirit and awaken from its stupor of denial, their slumber will be turned into a permanent sleep of death!**

***Revelation 3:18. “I counsel you to buy.....so you can cover your shameful nakedness; and salve to put on your eyes, so you can see.”***

The need for this eye opening salve can not better be expressed than by this article titled, “Deagel Goes Nuclear: America’s 2025 GCP Forecast To Be

Less Than Mexico's In Rush to 3<sup>rd</sup> World Status As Current Events Implore Us To Prepare For Pandemonium Ahead"

[www.allnewspipeline.com/Deagel\\_Goes\\_Nuclear\\_Current\\_Events\\_Implore\\_Us\\_To\\_Prepare\\_For\\_Famine\\_and\\_Pandemonium.php](http://www.allnewspipeline.com/Deagel_Goes_Nuclear_Current_Events_Implore_Us_To_Prepare_For_Famine_and_Pandemonium.php)

The Deagel report is a think-tank that analysis data from many government sources worldwide, like from CIA and U.S. Department of Defence to the World Bank and European Union. Among other things, it reports yearly forecast for nations. In Deagel's forecast for 2025, until recently was, showing a \$2.4 trillion dollar GDP, a drop of \$18 trillion. This year it undated its forecast for America to only a \$1.6 trillion GDP, less than nations like Mexico, Brazil, and Indonesia.

Even more scary than being reduced to a 3<sup>rd</sup> world nation, is that the population will drop by 227 million! This is why I, in the beginning part of this article, so laboriously tried to warn of the many threats to this nation. I am by far not the only "watchmen" screaming the alarm, wakeup, wakeup; your demise is approaching. Using just one example of the watchmen, is Michael Synder who has been trying for years to wake up our sleeping nation. Just one of his recent post at: [www.theeconomiccollapseblog.com](http://www.theeconomiccollapseblog.com) said, "Yet with any 'rising up' by Patriots across America to 'secure' President Trump and America is sure to be met by more leftist insanity and more mainstream media inspired bloodshed in US streets, America is being rushed quickly by the globalists [Deep State] towards the dark period of time which Deagel warns us of, and Deagel's been warning of this 'collapse of America' long before President Trump got into office."

[www.deagel.com](http://www.deagel.com)

So why am I so adamant about the need for a **Holy Spirit Revival?** It is because, as already said two times in this article, **there is no alternative**, period! The remainder of this article will be to outline the biblical evidence of the need for the Holy Spirit; to reveal what is His work; the requirement for a Baptism in the Holy Spirit, and what God requires for an initiation of the Holy Spirit for revival.

STEP 5. A GREAT AWAKENING LED BY THE HOLY SPIRIT.

Referring back to Pastor Mario Murillo, using his book “Vessels of Fire and Glory, the following will outline the need and steps to initial a revival. I can not emphasis enough that everyone needs to get this book. Currently he has a special offer on a three book set, “The War Chest Collection” or can purchase this the one mentioned book at [www.mariomurilloministries.wordpress.com](http://www.mariomurilloministries.wordpress.com) [Note: I have no affiliation with this ministry or receive any monetary benefit in recommending his books.]

**In Murillo’s book, he says, “We begin with a simple collection: Whatever happened to the baptism in the Holy Spirit? You don’t hear about it anymore. Churches don’t pray with people to receive it anymore. There’s an ugly reason why. The baptism of the Holy Spirit is the natural enemy of church marketing that seeks not to offend. When God falls, church culture changes instantly. Human promotion becomes secondary. As audience morphs into an army. An insatiable hunger for the Word of God reduces the need for sales pitches. Preacher, if you stopped presenting the baptism of the Holy Spirit to your people, Satan made you do it. If there is no room in your service for people to receive this URGENT GIFT, the enemy seized control of your agenda. If your people don’t even know what it is, you will answer to God.”**

As I have already mentioned concerning my wandering in the wilderness of denominational wasteland, even the Charismatic and Pentecostal churches I attended, have forsaken their original roots. Over three years ago, while attending a relatives church, the pastor was lamenting the fact of declining church attendance across all the community churches. After the service, I met the pastor and his wife while filing out the front door. I stopped and told the pastor I had an answer to his lament. I preceded to tell him the problem was the Holy Spirit was barred from his and most other churches. I received a very cold look, with just a response consisting of “well”. His wife started to agree with me, but was immediately shutdown by her husband.

I attended other churches, even joining one, and did not know they were from a Pentecostal background. So, I can attest to Murillo’s above statement, the Holy Spirit has been at best, given no emphasis or worst is rejected from the our churches. My long journey in the wasteland of religiosity in America, I finally

realized the answer I sought - the literal soul of Christianity, the fire, the life changing power had been forsaken! If churches do not know the importance of the Holy Spirit or His work, then how are they to be awakened to the His importance?

The well known Christian and speaker across untold numbers of college campuses, conferences, and churches, the late Ravi Zacharias, said, "I had dinner with a preacher [with a spirit-filled background] who claims he speaks to more people via television than anyone else in the world. He told me there is not much difference between Islam and Christianity," Zacharias asked how this falsehood and other foolishness could happen. He continued by saying, "Because the Holy Spirit is not just a power experience; He is the Spirit of truth."

This was another answer in my search for a real relationship with Jesus and the Father. Quoting Jesus from John 16:13. "However, when He, the Spirit of truth, has come, He will guide you into ALL TRUTH; for He will not speak on His own authority, but whatever He hears He will speak; and he will tell you things to come."

The Holy Spirit is the first step in soul winning that makes the witness itself vibrant, compelling, and contagious. A spirit-filled Christian can not contain themselves from sharing their witness, and the words of witness one speaks, is not just heard, BUT FELT! As Murillo related, pastors should repent for grieving the Holy Spirit by catering to a contaminated crowd, who are **NOT** truly converted, spirit filled, and born again. The best reference to prove this contention comes from one of the greatest 18<sup>th</sup> century evangelist, Charles Spurgeon who said, "To introduce unconverted persons to the church, is to weaken and degrade it; and therefore an apparent gain may be a real loss." [Taken from Murillo's book - 'Fire and Glory']

#### SIX REASONS THAT IT'S IMPORTANT TO KNOW THE HOLY SPIRIT

[Taken from [www.catchthefire.com/blog-full/know-the-spirit](http://www.catchthefire.com/blog-full/know-the-spirit) by Alice Clarke

1. The Holy Spirit is a person, and He's part of the Trinity, which means that we can have a relationship with Him, just as Jesus did. He communicates and speaks (Acts 13:2); loves (Romans 8:30); and intercedes for us (Romans 8:26-27)

2. He's always been here and always will be. Duncan Smith, President of Catch the Fire says, "Presence is the communicated love of God himself, the very person

of the Holy Spirit, who has eternally flowed between the lover - the Father- and the beloved, the Son.”

3. *The Holy Spirit transforms our lives.* As we build a relationship with Him, we can expect that the Holy Spirit will work in our lives and make a difference. In John 14, He’s is comforter, the truth, helps us recall things we’ve learned about God; He guides us and convicts us of sin. Romans 8 describes how He teaches us how to pray and helps us not to sin.

4. *He fills us and equips us.* Steve Long, Senior Leader of Catch the Fire Church in Toronto says, “When I’m in the presence of God, I’m full of optimism, I realize that anything is now possible, that we’re in this zone where miracles can take place, where lives can be transformed, where I can meet God.” Ephesians 5:18 says that we must be filled with the Holy Spirit. It’s non-negotiable: the Holy Spirit wants to be deeply involved in our lives.”

5. *A life led by the Holy Spirit is fruitful.* Galatians 5 describes how followers of Jesus become more loving, joyful, peaceful, patient, kind, good, faithful, gentle, and self-controlled. Any area that you lack those qualities is an opportunity to invite the Holy Spirit into your life.

6. It’s about everyday life and encounter. (Galatians 5:25) *“Since we live by the Spirit, let us keep in step with the Spirit.”* John Arnott, Founding Pastor of Catch The Fire said, “It’s the very thing Moses said: unless your presence goes with us, do not lead us up from here. That presence in Hebrew means the faces of God or the expressions of God when he looks at you and talks to you. It a living presence, it’s a life changing presence.”

## DISPELLING THE MODERN MYTHS ABOUT THE BAPTISM IN THE HOLY SPIRIT

In every attempt I have made to describe and reveal the truth of the Holy Spirit, it’s always resisted by the last few generations of religious teaching from the pulpits. It comes down to the old adage, “Putting the cart before the horse.” Already it has been overly pointed out that we are living in a time of closed mind-sets, bombarded by psychological conditioning, false teachings, and spiritual oppression from the enemy. Basically, it boils down to how does one open these impregnable minds to see the reality of the truth. Since the Holy Spirit is the only one that can open these closed minds, how does one convince someone they need

the baptism in the Holy Spirit? This is the catch-22. Since we are instructed always to seek our answers in the Scriptures and by praying to the Holy Spirit for discernment, therein lays another conundrum. The only option is to reveal how the Apostles dealt with the baptism in the Spirit.

**Acts 2:8. Jesus speaking to the Apostles, “But ye shall receive power, after that the Holy Spirit is come upon you and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.”**

On the day of the first Pentecost, as promised by Jesus, as the 120 disciples were gathered, waiting, and praying in that upper room, there was a sound from heaven, like a mighty rushing wind that filled the house. Then cloven tongues like a fire sat upon each of them, and they began to speak with other tongues given to them by the Holy Spirit. (Acts 2:2-4) They all immediately rushed into the streets, preaching to the multitudes from many nations gathered in Jerusalem. The disciples, speaking in other tongues, were understood by the multitudes in their own languages.

The tongues of fire, representing the Holy Spirit, was symbolic as it produced a fire of zeal in the disciples that began to spread the Gospel of Christ throughout Judea and eventually the world. This was why Jesus, just before ascending into heaven, had told the his disciples, to wait until he sent the Holy Spirit, for without Him the great Comforter, they would have had no power or effectiveness.

This first Pentecost, was the first evidence of the importance of the Holy Spirit (HS). In the Apostles writings in the New Testament, the importance of the HS was continually emphasized. John the Baptist in (Acts 3:16) was referenced, “John answered, saying unto them all [those receiving water baptism unto repentance of sin], I indeed baptize you with water, but one mightier than I cometh.....shall baptize you with the Holy Spirit and with fire.” Jesus was the first evidence shown of this new baptism represented by the HS descending onto his head, like unto a dove, at the time of his water baptism by John. Immediately after receiving the HS, Jesus, went into the desert wilderness for 40 days, praying and fasting, before beginning his ministry of preaching and miracles. The Apostles Matthew (Matt. 3:11), Mark (Mark 1:8), Luke (Luke 3:22), John (3:5--6), Peter (Acts2:28), and Paul (1Cor.12:13) all spoke about receiving the Holy Spirit.

Confusion has developed since the Apostles time, as to what does receiving the HS entail? Most denominations, except those that developed out of the Pentecostal Movement in early and mid 1900s, believe that at water baptism, the HS immediately comes to dwell in the person receiving water baptism. But is this correct according to Scripture?

The Apostle Paul, who wrote most of the New Testament epistles, spoke the most about the Holy Spirit. Peter in (Acts 2:38).....be baptized everyone of you in the name of Jesus Christ for the remission of sins, and ye shall receive **THE GIFT** of the Holy Ghost. [Note: a singular gift] It is true that when one is water baptized and truly born again in the spirit, he receives the indwelling of the Holy Spirit. Yet, Paul talks about “being baptized in the Holy Spirit to receive His gifts (plural) as opposed to Peter saying the gift (singular). Scripture speaking of gifts of the HS are:

(1 Cor. 12:28-31) The gifts are as apostles, secondarily prophets, thirdly teachers, after that miracles, the gifts of healing, helps, governments, and diversities of tongues, but not all have the same gifts (Romans 12:6). Then Paul states he would rather a person may prophecy (1 Cor. 14:1), further saying, (1 Cor. 14:39) “Wherefore, brethren, covet to prophesy, and forbid not to speak in tongues”. These verses indicate that there is an indwelling of the HS, but a separate Baptism in the Holy Spirit unto gifts.

When the apostles were in Jerusalem and heard that Samaria had received the word of God, they sent Peter and John as described in following verses:

***(Acts 8: 14-17) “.....Who, when they were come down, prayed for them, that they might receive the Holy Spirit: (For as yet he was fallen upon none of them: only they were baptized in the name of Lord Jesus.) Then [apostles] laid hands on them, and they received the Holy Spirit.”***

***(Acts 11:44-48) “While Peter yet spake these words, the Holy Ghost fell on all them which heard the word.....For they heard them speak with tongues, and magnify God. Then answered Peter, Can any man forbid water, that these should not be baptized, which have received the Holy Ghost as well as we?. And he commanded them to be baptized in the name of the Lord....”***

[In this above verse, it details the Roman centurion named Cornelius, living in Caesarea, who received a vision of an angel of God telling him to send men to Joppa and find one called Simon Peter.]

As clearly shown in these two verses, the indwelling of the Holy Spirit is separate from the baptism in the Holy Spirit. In the first case, the new believers had been water baptized, but not received the baptism of the Holy Spirit [or HS had not fallen on them]. In the second case, from only the preaching about Jesus, the people received the HS baptism, but yet had not been water baptized. The evidence, underscored above, shows also the evidence of this baptism was the sign of speaking in tongues. The indwelling of the newly water baptized is not associated with any sign, but the baptism in HS is evidenced by speaking in tongues and the receiving of gifts, for the empowering of the body of Jesus' Church.

The real truth of the necessity for the Holy Spirit is explained in the following scriptural verses:

***(2 Timothy 3:4-5) "Traitors, heady, high-minded, lovers of pleasures more than lovers of God: Having a form of godliness, but denying the power thereof: from such turn away."***

***(Luke 24:49) ".....tarry ye in the city of Jerusalem, until ye be endued with the power ( Holy Spirit) from on high."***

***(Acts 1:8) "But ye shall receive power, after that the Holy Spirit comes upon you..."***

***(Eph. 3:16) "That he would grant you.....strengthened with might (power) by his Spirit..."***

***(1 Thess. 1:5) "For the gospel came not unto you in word only, but also in power, and in the Holy Spirit....."***

As explained, if spiritual eyes and hardened hearts are to be opened, it is imperative for all Christians and pastors to understand that the only hope for this nation is through repentance, prayer for revival, and most importantly, to see the need to seek the Baptism in the Holy Spirit! Even those spirit-filled Christians, need to seek a fresh, double Spirit anointing promised for these end times.

Using two different voices concerning the Holy Spirit, I refer to the late Pastor and true prophet, David Wilkerson and a contemporary, Michael Synder.

Wilkerson, in a sermon from 11 years ago titled, *Newly Baptized in Spirit Must Know Word*. He said [paraphrasing], “The Holy Spirit will come live in your temple (body), but just knowing the doctrine of the Holy Spirit is not enough, even if you speak in tongues. Yet, He is has not really been received unless invited into your heart. Many wait to feel Him, waiting for a move of their spirit. It is even possible to feel dead inside, until one learns to recognize the fruits of the Holy Spirit ministry manifesting in their lives. The Holy Spirit changes a person until He takes control of a person’s life.”

The HS will not operate in carnal flesh. Jesus said, He will become everything to us in every way that He (Jesus) experienced while in his ministry on earth. The HS will become your teacher and friend, searching our hearts for the good and bring it out. Like Jesus, the HS will give you all the resources needed to have a fulfilling life in the service of the Father. Like Jesus, nothing will be withheld from a person who can proclaim they’re a son of God, as nothing was withheld from his Son Jesus, so shall all be given to his sons and daughters who have accepted Christ sacrifice, been born again in the Spirit, and surrendered their lives to the Son.

Every Christian, until they are taken into heaven, will be involved in this warfare between the spirit and the flesh. This battle intensifies by the adversarial forces of darkness who will come against you with a vengeance as a spirit-filled son/daughter of God. Many Christians are besieged daily with the fiery darts of the devil, and they will feel they are not good enough, not righteous enough, and unworthy. Just be aware there is NO MAN or WOMAN that does not daily fight the flesh! Yet, our sin nature is dealt with by the Holy Spirit as we pray for his strength and power. That is why it is so important to know scripture, using it to battle against the flesh oppressed by demonic forces of darkness. Scripture tells us to put on the full armor of God, to equip us for this ageless battle that has been raging since that first sin in the Garden of Eden! One of our most important weapons in this war, is the sword of the Word of God. The Holy Spirit promises to bring to memory scriptural verses we have read to use against the enemy. As sons and daughters of God, we must use all the resources that Jesus used and are now available to us if we are to endure the battle until the end, receiving our reward and crown of salvation.

On a more secular level, Michael Synder, in an article posted on [www.usawatchdog.com](http://www.usawatchdog.com) titled “Judgment is Coming for America”, lays out his case

in his new book called, “Lost Prophecies of the Future of America”. Synder says, “You look into the Bible and see ancient Israel, and God called on the people of Israel to repent. You have gone into evil, repent and come back to me. If you don’t come back to me, bad things are going to happen to you.” Synder goes on to showcase the prophecies given by many watchmen-on-the-wall, who have been sent by God to sound the alarm of impending judgment. He goes back to 1920’s up to the present. All those shouting from the rooftops the warnings, say the same thing because it comes from the same Source. We were warned of a coming pandemic and people were not even aware of it. [Note in 1986 in a men prayer service, David Wilkerson prophesied of a pandemic coming that would be worse in New York and spread to the whole nation.]

Synder continued to says, “The news is not all bad..... the prophetic voices have seen there is going to be masses of people turning to God.....We are going into the final harvest.....We are going to win souls.” He went on to talk about many going into depression and despair. They will not understand why this all is happening and will be seeking answers. He ended by saying, “If you don’t know the Lord Jesus Christ, you are not going to have any hope for the future. I don’t know how anyone without the Lord Jesus Christ is going to make it through what is coming, and looking to eternity, you are not going to have any hope at all. **Ultimately, the most important thing in any of our lives is our relationship with our Lord Jesus Christ.**”

#### CONCLUSION AND THE PATH TO HOPE!

All the preceding writing, has led to only one question, WHAT IS THE ANSWER? In reading this, most will just dismiss it as “Doom and Gloom!” They will return to those “Prophets” teaching, happy times will soon return; God is in control and all will be restored; let us just continue life eating, drinking, and marrying and giving in marriage! Yet, in their blindness they can not see the speeding fright train about to rollover them.

As the watchmen have been sounding the alarm of judgment, they continue to receive the same admonishments and scorn. “God is in control, let us just sit back and wait for Him to take care of everything, there is no action needed by us! Brother, you just don’t have enough faith in God! You will be cursed for speaking

out against these anointed prophets of God! Stop listening to doctrines of demons! Stop reading the Old Testament, it is an Old Covenant, and we're under the New Covenant! God loves America as an exceptional nation, and will never judge this nation! Even if judgment is coming, we'll escape in the Rapture, not seeing any pain! And the list of delusional mindsets goes on!

Today's Christianity is typified by entertainment, itching ears, denial of facts, delusional reality, brainwashed, and some believing that times are getting worse, but they can not do anything, since it is suppose to happen. Using this excuse of helplessness, they ease their consciences by calmly and passively waiting for the rapture. Referring to Pastor Murillo's book "Reaching Critical Mass", he said, "A false Christianity believes in feeding, clothing, and caring for the underprivileged, but give them no gospel." [Note: I have worked in several church run food banks, but never saw any effort to witness and share the gospel.]

**Ezekiel 33:31. "They love to hear your words, but they will not do them."**

This above verse summarizes the bleak condition of most of our churches, even amongst those somewhat awake enough to see there is a problem! Being honest with ourselves, we must admit that the worse problem fronting the Church is lack of action! In 2 Chron. 7:14 it says, ".....if my people will humble themselves, seek my face, and turn from their wicked ways; then will I .....will forgive their sins and heal their land." This verse clearly indicates God only acts when his people act!

WHAT AMERICA NEEDS IS A GREAT AWAKENING AND REVIVAL

There is no alternative left to this nation and the world, but REVIVAL!

We are drowning in falsehoods. We can't trust anything we hear in the media. There is a flood of false prophets and teachings, and even most Christians are living in a delusion of deception. Yet, few admit the direct correlation between our misery and rejection of God. Scripture warned of this time when most would not tolerate sound doctrine. (2 Timothy 4) "For the time will come when they will not endure sound doctrine".

Facts of the dire condition of our churches:

[Taken from the book already mentioned by Mario Murillo, “Vessels of Fire and Glory”]

1. Millions of American Christians assume America is entitled to survival, yet God has not cheapened his majesty to keep us alive.
2. Before a Great Awakening, there must be a rude awakening. The jolt the American Church needs is far greater than we know.
3. *Two things would shock us to our core: if we knew our true condition before God, and if we knew how close America is to destruction!*
4. The last great revival gave rise to the Pentecostal movement, but this movement is now weak, disoriented, divided, and rapidly losing relevance.
5. We were done in by our own version of a deep state, being infiltrated by an Antichrist spirit that drove the Spirit-filled movement from our churches.
6. *The worst mistake was to stop teaching and leading people into the baptism of the Holy Spirit.*
7. Preachers are deepening the denial instead of warning the sheep entrusted to them by the Lord. They teach a new level of denial saying, “We are blessed, nothing bad is going to happen”.
8. Pastors have violated their first duty to educate believers in the Word of God and lead them into the power of God - the Holy Spirit. They offered nothing that would arm believers to push back on the destruction of America.
9. These same voices are rejecting or ignoring the new and dire warnings of the Holy Spirit that we are on the brink of losing our nation altogether.
10. In this hour it is not enough to be saved and filled with the Holy Spirit - not nearly enough.
11. Christians have not been taught how to endure what is coming upon the earth. (Matt. 24:13) “But he who endures to the end shall be saved”.
12. *“At what point then is the approach of danger to be expected? I answer, if it ever reach us, it must spring up amongst us. It cannot come from abroad. If destruction be our lot, we ourselves be its author and finisher. As a nation of freemen, we must live through all time or die by suicide.”* Abraham Lincoln

NOW IS THE TIME TO FIND AND FOLLOW THE “GOD SENT” CHILDREN!

[The following is taken from Mario Murillo’s book, “Reaching Critical Mass.”]

The tragedy is that we have the gospel of the church and yet they pursue their dreams with total abandon. “We have God’s Word; we have access to the Holy Spirit. We have the most glorious purpose of any organized group on earth, yet we cannot marshal our resources to do something for God’s glory in our time.”, says Murillo.

*The first state of revival is to establish a core.* Every city needs a group that will set itself aside as a living sacrifice. A group surrendering their entire lives, whose only desire is for an awakening revival. The road ahead is fraught with many battles and only the truly persistent will survive.

***(Habakkuk 3:2) “Lord, I have heard of your mighty acts and I stand in awe of them. Renew [revival] them in our days; in our time make them known; in wrath remember mercy.”***

*First rule is that this core group exists to bring revival,* and the home or church prayer gathering must undergo a revolution. They do not gather just to hangout and socialize, but to engage the enemy in a mighty battle of prayer. They do not say that if God wanted to move in our nation he would just do it. They realize that this attitude from Satan, produces a passive church that senses no responsibility to its generation. They fully recognize the seriousness of our nation’s condition they understand the importance to begin a revival, must include (2 Chron. 7:12) humility, seeking God’s face, turning from sin, and repentance.

*Second rule: When seeking God’s face and in deep prayer,* must believe that God is faithful to hear and answer and expecting God reward those diligently seeking him. This core knows they must be pure and with out sin, for the Lord will not answer the prayers of the unrighteous.

*Third Rule: Murillo says, “This new breed of believer knows they can set fire to the dry grass of American religion.* Instead of being available “nice guys” the army of God must become the conscience of the nation, a dread of demons, and at last a supernatural river of life for the full spectrum of human pain.”

Fourth Rule: Must except that ONLY the coming glory of a revival will solve our weaknesses. ONLY the glory of God will crash this end-time party and release millions from Satan. No point of return can exist, no alternative can be considered.

Fifth Rule: When this core group reaches "critical mass", they have stopped being sales reps of religion, becoming channels of God's glory. They become fiery, dynamic, and unstoppable in their assignment to attack the forces of darkness, having become disgusted with the evil and blindness of our churches. They recoil from, as Arthur Matthews declared becoming "an escapist generation" (those who have stopped doing their primary mission of saving souls) who are only sitting back, awaiting their rapture. These escapist are baffled by the thought of attacking Satan."

Sixth Rule: The core believers are praying to receive the last days, double outpouring of the Holy Spirit and his gifts. They know that only the ability to do great signs, miracles, and healing that Jesus promised, will be able to open the eyes of the lost for the need for salvation by Jesus Christ. As Jesus used miracles and healing to demonstrate he was the Son of God, so will this remnant core, receive the gifts and power to do greater signs than even Jesus. As sons of God, they will have all the resources that the Father gave to Jesus' ministry.

**NOW IS THE TIME FOR CHRISTIANS TO SEEK REVIVAL, FOR THERE IS NO OTHER HOPE. OUR NATION'S CHRISTIANS WILL EITHER AWAKEN, SAVING MANY SOULS, OR ACCEPT THEIR AND OUR NATION'S DEMISE!**

#### POSTSCRIPT

**THE END OF THE BEGINNING IS HERE. TIME TO ACT IS ALMOST OVER IF WE ARE TO SAVE THIS NATION FROM UTTER DESTRUCTION!**

Americans must awaken from their stupor or continue to remain apathetic and complacent and watch this once great nation fall, to never rise again! I write this with a heavy heart. For five years I and many others have be screaming a warning

to this nation to humble itself, repent, and seek God's face. Yet, we have been voices crying in a wilderness of delusion and denial of what threatens this nation.

The forces of darkness have infiltrated every corporate, governmental, educational, and many religious institutions in our nation, from the highest to the lowest arenas of power and influence in our society. We are already in a civil war, it just hasn't gone "hot" yet! The Democratic Party along with the communist/socialists elements have been allowed to have free reign in America. Their primary goal has been to overthrow this nation as it is the last bulwark against the One World Order being established to bring worldwide tyranny and dictatorship. We are now approaching the culmination of decades of the "Deep State" subterfuge to eliminate America as the last roadblock to world domination leading to the Antichrist system. There are brave pastors, like Pastor Dr. Sandra Kennedy, warning that Satan's greatest goal this year is to take down America!

The Democrats are already exposing their plans to remove President Trump from office with any means necessary! Voices like Bill and Hillary Clinton are telling presidential candidate Biden to never accept a Trump victory. The Democrats have already approached General Milley, the Joints Chief of Staff of the U.S. military, to remove Trump by armed force. Milley exposed this plot, saying the military would not become involved in any political actions, which is treasonous!

There are plans being formed to overthrow the legitimate government with violence. Communists front groups (useful idiots) are being armed in preparation to seize the federal government. China has been actively involved in this arming of these terrorist groups like BLM and Antifa along with many other terrorist groups that have infiltrated our nation. These terrorists groups include the likes of the gang MS-13, Hezbollah, and Muslim groups like Isis. There are even now Chinese military embedded in America, working at Chinese front companies owned by China.

Another piece of evidence that China is actively involved in weakening the U.S. comes from the New York Time (March 12, 2020) under headline, "Why China is rooting for Joe Biden to win 2020 presidential race" Many other articles are saying Iran and China working for Biden, while Russia is supporting Trump.

There is much evidence given, by the likes of Paul Martin and Dave Hodges at thecommonsenseshow.com, that Chinese People's Liberation Army has nearly one million combat troops in Canada and Mexico. It has a network of bases throughout North America, flies military transport aircraft over southern California at night

and is preparing for the eventual takeover of America in a “Red Dawn” scenario. This invasion has been prophesied going back decades by prophets in dreams and visions.

To those scorners who say it is just a conspiracy, referring to ancient prophets like Isaiah 8:12. “Do not say, a conspiracy, concerning all that this people call a conspiracy, Nor be afraid of their threats, Nor be afraid of their threats, nor be troubled.” Scripture, especially prophecy is given to warn God’s children of threats and the future so they will not be afraid, having foreknowledge of such.

[www.allnewspipeline.com/Something Terrible is Going to Happen.php](http://www.allnewspipeline.com/Something_Terrible_is_Going_to_Happen.php) under title, “Something Terrible is Going to Happen ‘It Can’t Be Stopped’, Be Ready...Immense UGLY is At Hand- One Day Closer to Doomsday”. The evidence is overwhelming of judgment day coming to America if only one gives a little effort to search alternative media on the internet. **AMERICA IT IS TIME FOR ACTION NOT COMPLACENCY!**

One last word to the pastors of America. It is imperative that the whole body of Christ come together in unity and one voice and boldly tell the American public of the literal life and death struggle upon us all. From the founding of this nation, until the last 50+ years, America was rooted in its Judeo-Christian heritage, but this is no longer the case in our now secular society. From the first permanent settlement at Plymouth Rock, this nation was organized and supported under the laws and commandments of God by the Churches. Today, that is no longer true. This nation will survive or fall on whether it returns to God and follows the commandment in (2 Chron. 7:14) and humbles itself, seeks God’s face, and turns from its wicked ways. **God is going to bring one last revival. The only question is “will you pastor” take part or will you be complacent and let this great move of God and the Holy Spirit by-pass you?**

**Oh God, I pray if everything written here be from you, it shall not return void!**  
**Amen**
